STEEL PRICE HIKE EFFECTIVE MONDAY

INCREASE TO FIGURE ABOUT \$6.00 A TON

Pittsburgh (AP)—A new round of price increases in the steel industry—the 11th since 1941—begins Monday.

U. S. Steel Corp., the nation's biggest steel producer and traditional industry pacesetter, announced it will increase its basic prices about \$6 a ton.

Other steel firms are expected to make similar price adjustments.

Although steel products vary widely in price, the new composite price will be an estimated \$46 a ton. It is the sixth boost in as many years. Last year the industry hiked prices \$8.50 a ton.

The increase came just a day after President Eisenhower said inflation may become a "real danger" unless management and labor show restraint in wage and price boosts.

Officials in Washington had anticipated a much higher increase, possibly as much as \$12 to \$14 a ton. Most of them took the attitude that the increase might have been worse, but all agreed it will be inflationary.

Clifford F. Hood, U. S. Steel president, said the increase is necessary to compensate for a company-estimated 21-cent hourly package wage increase effective Monday for the firm's production workers under a three-year contract with the United Steelworkers.

Under the new price structure cold rolled sheets, used extensively in the auto and appliance industries, go up \$6 a ton to \$120. (Turn to Page Thirteen)

One Dead, 13 Hurt In Bus Accident On N. J. Turnpike

New Brunswick, N. J. (AP)—A Greyhound bus collided with a tractor trailer on the New Jersey Turnpike early today, killed one passenger and injuring the driver and all of the 13 other passengers.

Dead on arrival at Middlesex General Hospital was Arthur Foxwell Tyler, 63, Baltimore. One of the injured, a woman tentatively identified by police as Marie Price, also of Baltimore, was in critical condition at the hospital.

Police said the bus, driven by Bernard Moran, 32, Wayne, Pa., and bound from Philadelphia to New York City, hit the tractor trailer from behind.

Tyler and the woman were sitting in the right front seats of the bus and were catapulted out through the windshield by the impact. They landed on the rear of the trailer and became entangled between its moving wheels.

Members of the Milltown rescue squad had to jack up the trailer and cut through part of its framework with acetylene torches to free the woman.

Plans Completed For Exciting Program of Boat Races Sunday

Like Christians entering the Colosseum, entries who venture into the JC's outdoor motor boat races Sunday will be taken a calculated risk.

Some of the outboardsmen might refuse to race when they check the water level, but a few of the zealous are almost bound to put on as thrilling show as has ever graced Allegheny River between Hickory Street Bridge and the railroad span at Chestnut street on Warren's West Side.

The slim, trim craft will begin practice early and probably have the course more or less understood by the time races start at 1 p. m. Jaycee Chairman Harry Spackman and an energetic committee are hard at work preparing the

Change Announced in Plans For Choosing of 1957 Queen

Selection of Queen of the Mardi Gras will be held on the lawn in front of Beatty Junior High School according to word received this morning from committee chairman George Templeton. This year had originally been scheduled for Beatty Field. Time of the contest remains 7:30 p. m., Tuesday evening, July 2nd. The Coronation Ball will follow at 9:00 p. m. in Beatty Gymnasium.

The committee also wishes to announce names of the judges for the Queen's Contest. Grover Gunkler of Hanover, President of the Pennsylvania State Jaycees organization heads the list of four which includes Sam Paladino, President of the Jamestown, N. Y. Jaycees, Charles Dawson, President of the Oil City Jaycees and Ray Blynt, Corry Jaycees preside.

Miss America is due to arrive at the Bradford airport at 9:51 a. m., Tuesday, and will be met by a delegation of Jaycees for escort to Warren. Her first public appearance will be at 4:30 p. m. that same day at which time Burgess William E. Rice will present America's beauty queen with the keys

\$10,000 Fund Is Secured For Further Improvements to the Beach at Champan Dam Park

Money for completion of a 600-foot sandy swimming beach at Champan Dam was successfully wrestled from the state legislature before adjournment last week, according to word today from Senator Leroy E. Chapman, in whose honor the park was named and who has since engaged in subsequent fiscal maneuverings with the Assembly for further improvements.

Charles S. Merroth, Pennsylvania Department of Forests and Waters chief in Warren, said today that while actual work on the swimming beach will begin as soon as money is in hand, the project probably cannot be concluded before Labor Day—unfortunately. Sen. Chapman said he obtained \$10,000.

According to Merroth, the 600-foot swimming area will be across the ford and midway up the lake. First a drag line (bucket on boom) will be used to scoop up the muck, said Merroth, and then a shale or rock layer will be placed and that covered with sand.

Much work has already been done along the shoreline, but additional parking areas must be cleared, access roads carved and turf added, the department head stated.

While these improvements are in progress, General State Authority will continue on its projects which call for a bridge over the ford to eliminate wet brakes, construction of a "bathhouse" and concession stand. All swimming will be supervised once the project is completed, Merroth added.

The Department of Forests and Waters official said that the water level is now down about four feet and will continue to be lowered about six feet total for beach improvements to a 2-acre swimming area. However, he assured fishermen, though this will make the fishing area smaller it won't affect it otherwise.

Last year about \$18,000 was spent on continuing improvements at Champan Dam.

American Jet Fighters Fly Over S. Korea

By CHARLES CHIN

Seoul (AP)—Sleek supersonic American jet fighter planes ranged over South Korea today, one week after the U. N. Command announced it was bringing in new arms to match the Communist military buildup in North Korea.

But the U. S. Air Force quickly announced that the aircraft—banned by the 1953 armistice—would not be based in Korea. They will fly over on "training" flights and return to their Japanese bases, landing in South Korea only for refueling or in emergencies.

Korean officials said they were not disturbed by the announcement that the planes would be flown from bases in Japan rather than based in Korea. Defense Ministry sources appeared confident the U. N. Command would put modern aircraft on South Korean bases despite today's announcement.

A government spokesman said "whether the new planes are on flights over Korea or are landing at Korean bases is no great problem at this time. What we value the highest is the U. N. decision" to modernize forces in Korea.

The first of the new planes sighted were four faster-than-sound F100 Super Sabre Jets. They flashed over Seoul shortly after midday. Later a flight of six B57 twin-jet bombers roared over the war-scarred capital.

Word that the new planes would continue to operate from their Japanese bases came as a surprise. Previous U. S. Command statements had indicated that the planes would be based in Korea so they could retaliate quicker in the event of a Communist attack.

Long Range Forecast Not Too Encouraging

By The Associated Press

Extended forecast for Saturday, June 29, through Wednesday, July 3:

Western Pennsylvania, western New York and West Virginia: Temperature will average 3 or 4 degrees below normal, warm Saturday, cooler Sunday and Monday, a little warmer Wednesday, showers and thunderstorms Saturday and again about Monday, will average 1 to 2 inches.

Welfare Head Makes Threats Of Dismissals

Philadelphia, (AP)—Welfare Secretary Harry Shapiro disclosed today he plans wide-spread dismissals of staff employees in the state's mental institutions because of the Legislature's "failure to provide the funds requested."

Shapiro's statement drew immediate criticism from State Sens. John T. Van Sant (R-Lehigh) and Joseph J. Yosko (D-Northampton), who led a successful fight in the Senate to restore large cuts made by the House in the mental health budget.

Dr. Howard Fiedler, Allentown State Hospital superintendent, said:

"I am confident that we can show the secretary in black and white exactly how we can operate within our present appropriation (Turn to Page Thirteen)

TO PROTECT FBI FILES

Washington (AP)—A Senate Judiciary subcommittee, acting with a flash of rare speed to meet a "grave emergency in law enforcement," today approved legislation to open office "relevant" FBI information to inspection in criminal trials.

Turnpike Trial Witness Calls For An Adding Machine

BULLETIN

Harrisburg (AP)—The head accountant for the Reading firm which figures in the Pennsylvania Turnpike trial testified today that the company made 100 per cent profit on an 8 million dollar contract. Clyde J. Siegfried, controller for Manu-Mine Research and Development Co., took an adding machine with him to the witness stand to aid him in calculating answers to questions on the firm's multimillion dollar operations.

Harrisburg (AP)—A commonwealth witness at the turnpike trial, Clyde J. Siegfried, controller for Manu-Mine Research and Development Co., Reading, asked for a calculating machine yesterday when being questioned about the multi-million-dollar operations of the firm.

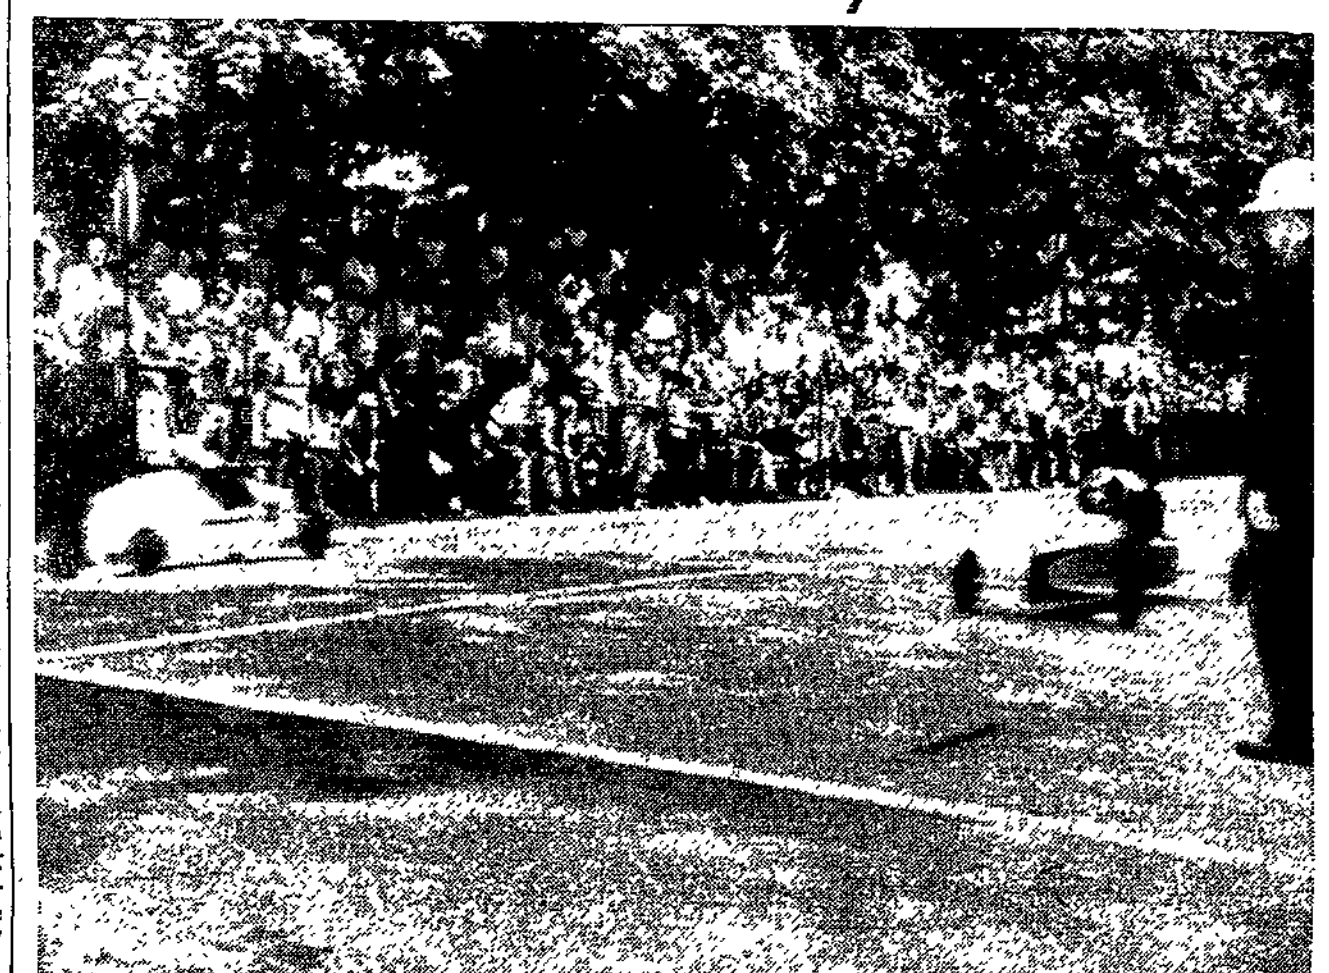

The commonwealth charged that nine defendants used a contract with Manu-Mine in an alleged conspiracy to defraud the commission of 19 1/2 million dollars.

Judge Homer L. Kreider authorized Siegfried to withhold answers on some financial figures (Turn to Page Thirteen)

4TH DEGREE KNIGHTS TO PARADE ON 6TH

Word has been received in Warren today by Sam Gerardi that Fourth Degree Assemblies, Knights of Columbus, representing Councils from Warren, Clarion, Kane, DuBois, Brockway, Sharon, Grove City, Franklin, Oil City and Erie will be present in Warren for the July 6th parade. Mr. Gerardi is Marshall of the local KOC Fourth Degree Assembly. Carol Snyder, Master of Fourth Assemblies of Second Pennsylvania District, will also be in attendance for the affair.

Atomic Tests Have The Third Mistfire

Atomic Test Site, Nev. (AP)—The third mistfire in the history of atomic tests in Nevada made a dud today of what would have been the sixth test in the 1957 series.

The Atomic Energy Commission ordered Marines evacuated from trenches 2 1/2 miles from Ground Zero after the device failed to explode.

An AEC spokesman said "mechanical failure" was to blame and said there would be no further try to detonate the device today.

Scientists will have to mount the 500-foot tower cradling the device and disarm it, the AEC said.

Today's test—dubbed "Dialo"—would have been the 51st in the Nevada test series.

Dulles Offers New Criticism Of Red China

San Francisco (AP)—Secretary of State Dulles denounced Communist China today as an uncivilized, hostile regime and said "it would be folly" to establish relations "which would enhance" the Reds' ability to hurt this country and its friends.

In his first major speech on Red Chinese policy in three years, Dulles rejected every argument for major change in the United States policies of nonrecognition, trade embargo and cultural isolation.

He said U. S. policies are based on the assumption that Communist rule in China is "a passing phase."

This country intends to do all it can to speed the passing, Dulles said, and ruled out arguments that change would be promoted by U. S. diplomatic, trade and cultural relations with the Reds.

Dulles' remarks were evidently directed toward Allied countries like Britain, which recognizes Red China, and neutrals like India which argue for some modification of United States policy.

And so, as it must to all boys, comes tomorrow the Jaycees Second Annual Soap Box Derby.

The Central Avenue track is fast, the rain date is set, and safety inspection of the 49 soap box racers is completed.

Tonight the impounded racers will be on display in Beatty gymnasium from 7 to 9 p. m. for all friends, relatives and others who wish to examine juvenile fine tuning.

Soap Box Derby ceremonies begin at 1 p. m. Saturday with the pace-setting race between George Newman, 1956 Derby winner, and Dana Harland, hard-working Derby director.

Beginning at 1:10 p. m., each Derby entrant will be introduced to the crowd and then mount the hill to await his heat. For numerous Derby contestants this will mark the second year of competition, while for others it is the first time their racers will have competed on the Central Avenue track.

Promptly at 1:30 p. m. (except for rain) the first pair of racers will set off down the specially-constructed ramp donated to the Derby by Hammond Iron Works.

Derby Director Harland has announced that the first heats will be between the following pairs of boys:

Class A (for boys 13, 14, 15): Robert Schatzle, Jr., Parker Street Extension vs. LeRoy Matve, RD 1, Sugar Grove; Ted Tourtellott, 404 Homestead Street vs. Clifford Church, Parker Street Extension; Bill C. Schumann, 7 Russell Street, vs. James Rogers, RD 1, Youngsville.

Donald Nichols, 20 Woods Road, North Warren vs. Bernard Spattfor, 203 Alexander Street; James Ruhman, 108 Mill Street, Youngsville vs. Alton Swanson, Pittsfield; Manfred Rydholm, 17 Sixth Street, Youngsville vs. Robert Zanger, Grand Valley; Bruce Wyman, 4 Myrtle Street vs. John Rogers, Clarendon.

Robert Webster, 103 Central Avenue, vs. David Reynolds, Kinzua; Martin Jackson, 5 Mill street, Youngsville vs. James Fredrickson, 205 1/2 Russell Street; Spear Frou (Turn to Page Ten)

DEATH TOLL IN HURRICANE IS MOUNTING

BULLETIN

Lake Charles, La. (AP)—Disaster officials laboring with thousands of refugees left homeless in the wake of hurricane Audrey lent support today to reports the death toll among Louisiana's coast could reach into the thousands. While there was no official estimate of casualties, Red Cross officials here said they knew of at least 1,000 people in the Cameron area who did not evacuate as the ravaging hurricane moved inland early yesterday. Deputy Sheriff D. P. Vincent of Cameron Parish county told newsmen when he arrived on a Coast Guard boat early today he believed "3,000 to 4,000 drowned" as tidal waves swept over the marshlands.

Lake Charles, La. (AP)—Louisiana's coastal marshlands lay under rolling tidal waves in the wake of Hurricane Audrey today, with a deputy sheriff claiming the death toll may reach more than 1,000. Deputy Sheriff D. P. Vincent was among 40 battered survivors who reached here today from the Cameron area which lies on a ridge only a few miles from the edge of the Gulf of Mexico.

The unofficial toll before Vincent's report was 18. "I believe 3,000 or 4,000 drowned," Vincent said as he was (Turn to Page Thirteen)

Kiddie Karnival Plans Set for Morning of 4th

The Jaycee Kiddie Karnival committee met last evening at the YMCA and completed plans for a full morning of contests for Warren area boys and girls July 4th at Beatty Field.

Registration will be free, but will be by team only. Boys will participate by Hot Stove League teams. There will be no individual events. Managers and handlers of Hot Stove teams are urged to attend or to provide a substitute as no team can take part without a sponsor, manager or responsible adult present. Boys will register at Beatty playground pavilion. Girls will be formed into teams as they arrive on the field. Girls will register at Beatty tennis courts. All prizes will be awarded on a team basis—with each member of the team getting a prize.

Events include: Relay races, dashes, rope climbing, athletic feats, tug of war and will climax with a pie eating contest shortly before noon.

There will be a free treat for all participants. Further information may be had by calling Jeff Riedel at 1000.

Ike Discusses Pay Raise For P. O. Workers

Washington (AP)—President Eisenhower was quoted today as saying the proposed \$546-a-year pay raise for 500,000 postal workers would mean a "sweep of inflation." The increase was voted yesterday by the House Post Office Committee.

Rep. Taber (R-NY) reported the President's views as he and 33 other Republican House members left a White House breakfast. It (Turn to Page Thirteen)

Sheffield—Mrs. W. O. Christenson was hostess Wednesday afternoon to Garden Club, with 14 members present and roll call answered by current events. President Retta Finney conducted the business session, when plans were made for a picnic-luncheon in July

at the home of Mrs. W. A. McMillen, Cray avenue.

Poems were read by Miss Pinney, Mrs. Harry Mickel and Mrs. Christenson; discussion on ground-covering plants and flowering shrubs was led by Mrs. Harry Priset. Very pretty and nicely arranged were 17 small bouquets brought by members, each describing her own flowers. Concluding refreshments were served by Mrs. Priset and Miss Pinney.

Mr. and Mrs. Gordon West, Fall Church, Va., were weekend guests of Mr. and Mrs. Raymond Loomis.

Tras and Vincent Johnson, spending the weekend in New York City with Dr. and Mrs. James Marr, were accompanied home by their nephew, John Marr.

Need of Chaperone Plagues JC's; Why Don't U Volunteer?

The Jaycees are searching for a Warren citizen who would be willing to act as a chaperone to accompany the town's four entries in the Pennsylvania Jaycees Junior Tennis finals at York, Pa. on July 1.

During the past week, Jaycees Vice President Bill Clinger has tried, without success, to arrange for a member of the Jaycees to accompany the youngsters to York in time for the competition that begins on Tuesday, July 2. The people contacted are either unable to take time off from their jobs or are too actively engaged on

plans for the Midsummer Mardi Gras to get away.

According to Clinger, the one solution that would enable Warren's four able competitors to enter the tourney is for some interested Warren citizens to volunteer as a chaperone. Clinger announced that the Jaycees have arranged to pay the expenses to and from York, Pa. of any volunteer that is forthcoming.

The four tennis champions, who were victorious in the Tennis Tournament on Beaty Courts earlier this month, must leave Warren, on Monday, July 1 in order to be in York on time for the tourney registration. The tournament is scheduled to run from July 2 through July 4 and the Warren contingent would be free to leave York on the afternoon of the fourth if not before, depending on how they fare in the tournament play.

Anyone interested in performing this service is asked to contact Bill Clinger immediately by calling 1550 during the day at 6565-J after 5:00 p. m.

FOE AUXILIARY

All members of FOE Auxiliary going to the Zone meeting in Du-bois Sunday are asked to be at the clubrooms no later than 9:00 a. m.

ROTARY MEETING

At the weekly meeting of Rotary Club, Monday at 12:10 p. m. at the YWCA activities building, newly-appointed chairmen will meet with committee members to make plans for the new year, and all are urged to attend.

SCHOOL PROBLEM

Jamestown schools are faced with the prospect of hiring a new superintendent, a high school principal and replacements for 13 teachers who retired at the close of the present school year. Also to be included are replacements for 13 additional teachers who resigned their jobs.

IMPORTANT FILM

The local chapter of Parents Association for Retarded Children has just learned the special film on mentally-retarded children, shown on the February 10th Home Show, will be re-run, by special arrangement, on Monday, July 1st. The film depicts a day in the life of the family of a severely retarded child and, as a newly-organized group, local members are hopeful it will serve to acquaint the community with some aspects of the society's problems. The Home Show is televised on NBC at 10:00 a. m., EST.

TIDIOUTE CON MEN

Warren Sheriff's Department is investigating a complaint out of Tidioute that two paint stores in that area were victimized by a pair of "painters" who claimed they were buying paint for the home of a prominent citizen, charging the paint there and then absconding, while the poor home owner had no idea of what was going on. The men, dressed in painter's outfits and paint be-smirched, pulled the routine twice, and made off with several gallons of paint, all white. The duo is described as, one 6' 2" inches tall, 30 years old, 190 pounds, the other 5' 8", 165 pounds, about 25. They disappeared in an "old, dark sedan" bearing New York State plates.

SOCIAL SECURITY NOTE

The Social Security District Office, Hotel Jamestown Building, Jamestown, N. Y., will remain open tomorrow, Saturday, June 29, to interview people who must file application on or before this date to protect their rights under the disability freeze program, Chester R. Norman, District Manager, announced today. "We are trying to reach those persons who have been disabled more than a year and have not been in touch with us before," the district manager said. If they do not file before July 1, 1957, he warned, their disability cannot be established going back more than a year. Workers who have been disabled for a prolonged period and who do not apply before the deadline this week may forfeit their rights to protect their wage records, to cash disability benefits at age 50, to old-age benefits for themselves and their dependents, or benefits to their survivors.

Influx of Students Creates New Problem for High School Officials

"PHYSICAL LABORATORY" REOPENS—This view of Warren High School looks across the covered pit which used to allow a view of the auditorium from the third floor. The round window, marked "Dark Room", shows where the new fire chute will open into the building. Corner rooms are marked "Physical Laboratory" and "Scientific Laboratory", a moment of time long past when Professor McI Gowan and others commanded respect from their podiums. In actuality, the rooms at building top are lighter, better ventilated than others on first and second floors.

The guard has changed at Warren High School. The exodus June 6 of the last of the "Depression Baby" classes means a new crop arrives from Beaty, the sophomores representing what happened when "Johnny Came Marching Home" during the war years.

Leaving the antiquated edifice in Class of 1957 were approximately 260 students. Arriving from Beaty will be 429 students. This huge influx is forcing a reopening of the high school's third floor, unused since 1933 when lack of adequate fire escapes forced its closing.

Summer plans call for erection of a three-story silo-shaped fire chute rising on the Market Street side of the building near the front steps. Students will enter from the third floor and shoot down the slide to ground level. Another fire escape winds down on the opposite side of the building from the third floor.

The new fire escape will cost about \$4,900 and another \$500 is being expended to put four third-

story rooms in shape for the "bubble" of humanity which has been stretching school facilities since the 429 students began elementary school 10 years ago. Four new teachers have been employed to fill the "physical laboratory" and "scientific laboratory" rooms which still re-echo to the words of old Professor McGowan at the turn of the century.

The large new class of sophomores will bring the total WHS student body next year to an estimated 961, including 268 seniors, 324 sophomores. Once the unusually large Class of 1960 passes, things come down to near normal as there are now 385 in Grade 8, 360 in Grade 7, 324 in Grade 6.

After that the bumper baby crop becomes ascendent again with in Grade 3, 447 in Grade 2, 483 in Grade 3, 447 in Grade 2, 483 in Grade 1.

And the figure is rising. Back in 1939 some 503 babies were born in Warren County. In 1956 it was estimated 933 were born and nobody knows where it will stop. But it does point out that a new high school building would be a good idea.

Farr's Chosen Colt Firearm Dealer Here

Farr's Sporting Goods, 3 Prospect Street, has been selected as a registered Colt firearms dealer. According to an announcement from Fred A. Roff, Jr., Colt vice president, Farr's was selected because of excellent reputation and superior ethical standing which are integral parts of this merchant's operation.

On Feb. 1, after an exhaustive survey, Colt Co. decided to eliminate jobbers and sell direct to a group of selected dealers. "The new policy will assure Registered Colt Dealers of being able to furnish customers with handguns they want when they want them," Roff added.

Farr's was one of few out of 40,000 potential outlets to be so chosen.

Diseases of Heart, Arteries And Kidneys Lead Death List

New York, N. Y.—Diseases of the heart, arteries and kidneys accounted for 57 percent of the \$429,000,000 paid out by the Metropolitan Life Insurance Company in death claims last year, it is reported by the company's statisticians.

Cancer ranked second as a cause of death claim payments, with almost 20 percent of the total.

Together, these causes of death accounted for more than \$3 out of every \$4 paid in claims to beneficiaries.

The company's 1956 death claim payments were the highest ever for the Metropolitan, rising \$33,348,000—or 8.4 percent—over the previous high total in 1955, and two and a half times the amount paid 20 years ago. The uninter-

rupted rise in death claims in a period of decreasing mortality, the statisticians point out, reflects both the growth in number of policyholders and the larger amount of life insurance owned per policyholder.

The rise in the proportion of disbursements for the degenerative diseases of later life is, in part, a consequence of the long-term decrease in mortality from the infectious diseases. For example, tuberculosis in 1956 accounted for only one-third of the payments made for this cause in 1936, while the proportion of disbursements for pneumonia and influenza declined from 8.0 percent to 1.5 percent in the same period.

The external causes of death accounted for somewhat over one-

Turkeys and Chuck Roast Big Features In Stores This Week

By The Associated Press

Turkeys and chuck roast will be featured at many of the nation's supermarkets and neighborhood grocery stores this weekend.

Turkeys at 37 and 39 cents a pound are at their lowest price levels in quite a while.

Housewives searching for bargains in other meats will find loin pork chops cheaper in many areas, with the reduction from last week as much as 14 cents a pound.

Loin veal chops are less expensive this week, too, by as much as 10 cents a pound, and reductions

in leg of lamb are in the 2 to 4-cent range. Butter, however, is somewhat higher this week in some areas.

The housewife has a wide choice of vegetables at the bargain level now with spinach, new green cabbage, radishes, beets and lettuce all available from nearby fields.

New potatoes also are plentiful at low prices.

Other good buys in the vegetable line include snap beans, topped carrots and yellow sweet corn. Pascal celery, bunched carrots, yellow onions and peppers are a bit more expensive.

Watermelons and cantaloupes appear to be the best buys in fruits in most places, although locally-grown blueberries are temptingly priced wherever they're available. Florida's continuing large supplies of oranges and grapefruit still are rated as good buys, along with increasing supplies of Valencia oranges from California. Navel oranges from the latter state are starting to fall off in numbers, however, with a consequent rise in price.

tenth of the claim payments last year, the statisticians noted. About \$34,330,000 was paid on fatal accidents, with more than half the payments on deaths resulting from motor vehicle accidents.

The statisticians also reported that the Metropolitan paid more than \$7,000,000 on ordinary and industrial policies which had been in force for less than one year, nearly a third of this amount being paid on life insurance in force less than three months.

More than \$280,000,000, or two-thirds of the total death claim payments last year, was for policyholders who died before reaching age 65. About \$55,760,000 was disbursed on insured persons who died in the ages from 25 through 44, and more than \$216,000,000 on those who were between 45 and 65 years of age when they died.

HATS OFF TO SOAP BOX DERBYITES!

The Soap Box Derby is Young America in one of its most inspiring manifestations. And the Times-Mirror is proud to be associated with Dan's Chevrolet and the local Jaycees, plus the hundreds of individuals in staging Warren county's second annual Soap Box Derby, whose winner will go on to the famous 20th All American Soap Box Derby at Akron, Ohio, Sunday, August 18th.

This year's Derby to be held at Central avenue tomorrow, will be a showcase, as was last year's Derby—for the ingenuity, the mechanical skill, the intelligence and the sportsmanship of 53 youngsters of Warren, ages 11 to 15, who have met the requirements for entrance into the contest that would stymie most any adult.

Special commendations should be given the borough employes for an outstanding job of preparing the race course; to the Warren borough police department for the work they will do in policing, handling traffic and parking, and for the ambulance service provided at the track, as well as the first aid station set up by the American Red Cross.

To Dr. William Walters, who will be in attendance; to the Bell Telephone Company for its communications; to the Emblem Oil Company for the necessary lubrication, and to Sylvania Electric Products for its first prize award.

All this will help make possible the finest Youth Event that Warren has ever seen.

Again we say that the Times-Mirror has been proud to have been a part of it!

"BACK THE ATTACK ON ACCIDENTS"

Too much speed is involved in seven out of ten fatal traffic accidents on holidays, although it is a factor in less than four of ten fatal mishaps the remainder of the year.

That is the warning to Fourth of July motorists issued by the National Safety Council.

In a special study of holiday accidents the Council lists eight principal circumstances of traffic accidents last Labor Day weekend, when 435 persons were killed: speed, drinking, time element, non-collision, location, single driver accidents and finally "victims were usually the driver."

According to the Council there is a chance of one traffic smash-up for every twenty miles of highway travel during the four-day Fourth of July weekend.

The Council estimates there will be 45,000,000 motor vehicles on the nation's 3,400,000 miles of streets and highways — an average of about 13 vehicles a mile if they should all take to the road at the same time.

In an attempt to prevent a holiday of tragedy for hundreds of persons, the Council again is conducting a nationwide campaign for a safe Independence Day celebration. The campaign, supported by 358 national organizations, is designed to increase public awareness of the extra holiday hazards and the extra caution needed to overcome them.

Two big days of exciting recreation and entertainment, arranged by the Jaycees, are in store for residents of the area during the weekend, with the Soap Box Derby Saturday afternoon at Central avenue, and the Speed Boat Races on the Allegheny river below the Hickory street bridge Sunday. Incidentally both programs are scheduled to get under way at one o'clock, and what is more important, are being presented without charge to the public. And while we're on the subject, it would not be amiss to urge wholehearted cooperation on the part of everyone to use utmost care and caution to avert accidents—traffic or otherwise.

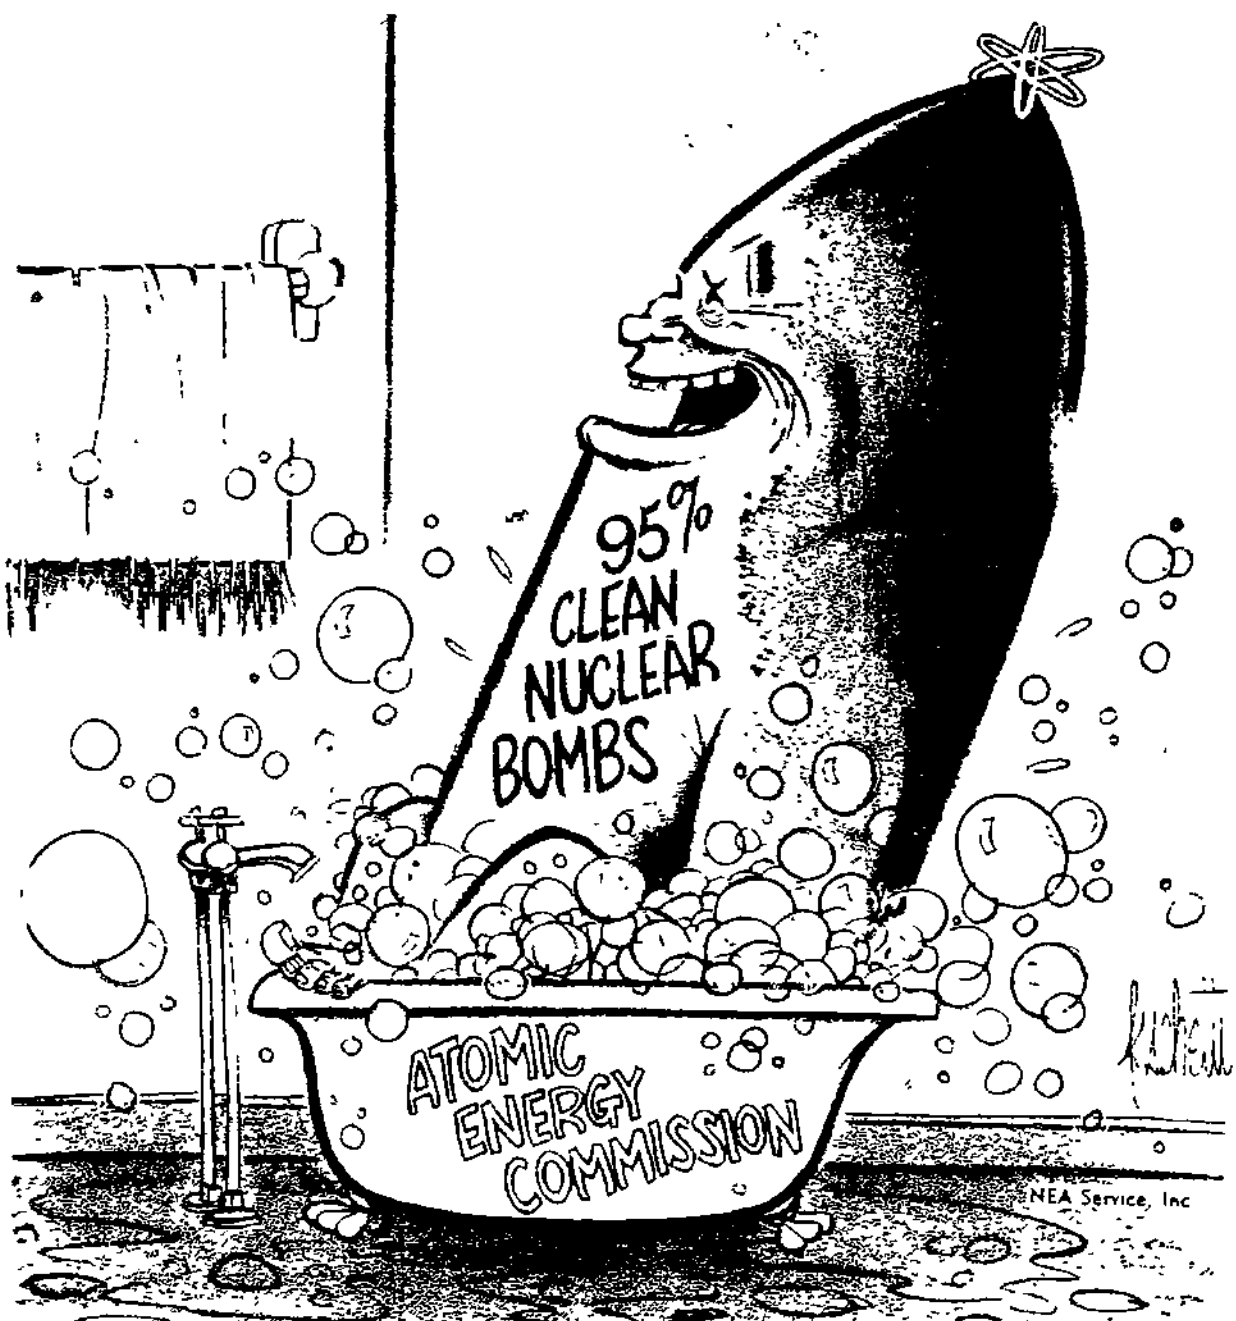

After the two big days Jaycees are reminded there will be a work detail Monday evening at War Memorial Field for the erection of additional bleachers for the rodeo opening there next Thursday as one of the main features of the Mid-Summer Mardi Gras.

THOUGHTS FOR TODAY

And ye have respect to him that weareth the gay clothing, and say unto him, Sit thou here in a good place and say to the poor, Stand thou there, or sit here under my footstool.—James 2:3.

Whatever difference there may appear to be in men's fortunes, there is still a certain compensation of good and ill in all, that makes them equal.—Pierre Charron.

"I'm Almost as Civilized as an Ol' Blockbuster Now"

Here and There

As the hour draws near for the start of the Second Annual Warren County Soap Box Derby the Times-Mirror takes this opportunity to thank all and sundry for the interest shown and assistance given in helping to develop the plans for the important event, and more especially to Dana Harland, chairman of the Jaycees committee in charge, who has performed a super job in cooperating with the paper, and the other sponsor, Dan's Chevrolet. In connection with the Warren County Derby it may be appropriate at this time to review some of the exciting events that await the winner of tomorrow's classic in Central avenue, when the lucky lad, in company with his parents, sponsor and other interested spectators, goes to the All-American Derby in Akron. According to past experiences all parents are quartered in downtown Akron hotels. This permits all parents to be together while the newspapermen and race officials are housed in the Sheraton-Mayflower Hotel, the All-American

Soap Box Derby headquarters. Immediately upon arrival in Akron, parents of champions should go direct to the lobby of the Sheraton-Mayflower Hotel and register at the PARENTS registration booth. Here they will receive:

1. Two tickets for the race, at no charge
2. Two tickets for the Banquet of Champions, which follows the running of the race. The banquet is held in the Goodyear Gym, beginning at 7:00 p. m. Buses will leave from the Sheraton-Mayflower and the other hotels, to take parents and visitors to the banquet hall.
3. Other invitations to special functions which have been arranged for them during their stay in Akron.
4. Parents should be well informed BEFORE LEAVING THEIR HOMETOWN FOR AKRON that, if more than two race tickets are required for the family or friends, they may be purchased. Note, too—that Parents seats are in a defined PARENTS

SECTION, while additional purchased seats are NOT in this same section.

5. Only two tickets are available to Parents for the banquet. Additional observers tickets are available for the asking, but Observers tickets are in the balcony, so if additional members of the family or friends wish to see the banquet hall, they should be notified to eat their dinner before coming to the hall. Space limitation at Good-year, limit adding any more tables. The hall, incidentally, is the largest at Akron.

6. Parents cannot represent newspapers either at the race, in working press box, or at the banquet!

7. Parents may visit their sons at Derbytown on regularly scheduled visiting hours. Buses are free to parents from the hotel to Derbytown.

8. Parents may also ride in the buses leaving the Sheraton-Mayflower Hotel at no charge, to and from the race at Topside on Friday and Saturday.

At the Banquet of Champions following the races, scholarships are awarded and trophies are presented by Chevrolet to the first five place winners. Other winners receive valuable merchandise awards. Special prizes are given for the best designed car, best constructed car, the car with the best brakes and to the car with the fastest single heat for the day. Last year, each of the 153 champions was saluted by President Dwight D. Eisenhower with a congratulatory message in the form of a plaque.

From Regina Powell formerly Regina Hultberg, who resided with her mother in Walnut street thirty years ago we receive the following notation on one of those large post cards, nine inches wide and six inches long, "Seattle, Wash. June 20.—Came to San Francisco by plane to join my cousin and husband for a tour of Oregon and Washington. How about this log for your fireplace? Trees are plentiful and big on the mountains, and very beautiful. We stopped en route through Ramey National Park to make snowballs and enjoy the scenic splendor of the mountains. We are going to Vancouver, B. C. and then by boat to Victoria, and on to Portland, Oregon, and Reno, Nevada, and browse leisurely to California and home, in quiet little Quaker town of Whittier. The more I see of the U. S. A. the more I am convinced it is the most beautiful country of all. Best regards—Regina Powell."

Foresee Second Balanced Budget as Fiscal '58 Begins

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON (NEA)—Advance indications are that the government will end its fiscal year on June 30 with a surplus of around 12 billion dollars. This will be 500 million under the 17 billion surplus budgeted 18 months ago. But it is pretty close to the revised estimates made by congressional experts early this year. Final figures won't be available for another month or so, when all the June bills have been paid and the last penny has been wrung out of federal excise taxes.

Anyway, the Eisenhower administration is going to show its second balanced budget in a row, which is something. Tax receipts for the year are expected to be a little above the 76.6 billion dollars budgeted. The Treasury collected 59.3 billion dollars through May 31.

If June collections are as good as they were last year—11.6 billion dollars—the total will be 70.9 billion. This would raise the surplus to 15 billion—close to last year's 1.6 billion.

As everybody feared, expenses this year will be half a billion or more above budget estimates of 66.9 billion dollars.

THROUGH MAY 31, government expenses were 63.1 billion. Bills payable in June may raise this to 69.5 billion. This is three billion dollars more than government expenses in fiscal 1956. The higher cost of everything is to blame.

Military expenditures are responsible for the biggest increase. There will be some savings on things like soil bank payments and Export-Import Bank loans.

Congress will show a pretty good record on downholding. This was accomplished in part by taking items out of deficiency appropriation bills for this year and putting these items in regular or supplemental appropriations for the new fiscal year beginning July 1.

This is an old trick to make the current year's record look good with a hope things will be better the year after.

Deficiency appropriations approved by Congress for this year total only 370 million dollars, as compared with 900 million in deficiency appropriations passed last year.

The outlook for the next fiscal year is still confused. Most of the big money bills have not yet passed the Senate or are in conference between House and Senate committees.

HOUSE-PASSED versions of these bills indicate potential savings of over four billion dollars. If these savings go through, budgeted expenses of 71.6 billion dollars for next year would be reduced to 67.8 billion.

With tax collections for next year now budgeted at 73.6 billion dollars, this could mean a possible surplus of 5.8 billion dollars. There's a catch in this, of course. Supplemental appropriations for next year—to make up for many of the things Congress cuts out in the name of economy this year—could wipe out most of the indicated savings.

Congress has been pretty good this year about not appropriating more money for pet projects than was requested in President Eisenhower's budget message.

The only thing the Congress has run wild on is the Senate's proposed 36.5 million more for medical research. Several other hospital construction projects would add another 3.2 million.

The House increased grants to the states for library services from three to five million dollars, with every indication the Senate will go along. Other minor Senate recommendations for increases will add up to 50 more than another million dollars.

First vice president, Florine Larson; second vice president, Leona Albaugh; recording secretary, Emma Kiernan; corresponding secretary, Edith Ahlquist; treasurer, Mabel Bisson; historian, Betty Pearson; chaplain, Gerda Carlson; sergeant-at-arms, Margaret Anderson.

Chosen delegates to attend Inter-County Council meeting Saturday at Ludlow were Florence Hill, Leona Albaugh, Margaret Anderson, Gerda Carlson, Edith Ahlquist, Pearl Graham, Myrtle Cobb, Hazel Witz, Wilhelmina McDannel, Betty Pearson, Dolly Hanson, Ella Wallace, Clara Driscoll, Alberta Germonto, Florine Larson and Clara Wilkins.

Alternates, Pearl Fiero, Jesse Shirk, Hazel Koebler, Jeanne Henning, Mary Agnes Rowland, Victoria Pequinot, Christina Scrivano, Rose Rizzardi, Iona Morrison, Mary Hildum, Florence Poy, Mae McDermott, Mary Ann Rowland, Agnes Duncan, May Todd and Helena Fox.

The unit president, Mabel Bisson, with Council Chaplain Emma Kiernan, and the past council president, Mary Ann Buerkle, will be attending as voting delegates by virtue of their official roles.

A very interesting letter was read from Priscilla Ross, sponsor-

ed by the unit at Keystone Girls' Camp. The membership voted to support the Legion in every way within its capacity in an effort to make successful the July 20th District convention in Warren. During the business session for Legionnaires, the Auxiliary will entertain visiting ladies at a tea on the Legion lawn. Past presidents will serve as a planning committee for this event.

Chief Complanter Unit will be represented at the August 6th Department convention in Harrisburg by Mabel Bisson, Emma Kiernan, Mary Ann Buerkle, Leona Albaugh and Edith Ahlquist. Alternates named were Florence Hill, Mary A'Harrish, Gerda Carlson, Clara Driscoll and Myrtle Cobb.

During the social hour, delicious refreshments were served by a committee, Alberta Germonto, Rose Rizzardi, Christina Scrivano, Mary Ann Rowland and Elizabeth Muscaro.

50th Anniversary Of Roy Edingers Occasion of Party

The children of Mr. and Mrs. Roy Edinger entertained with a dinner party at the Blue and White Restaurant last Saturday evening in celebration of their 50th wedding anniversary.

Roy and Dora Dietrich Edinger were married in Warren on June 18, 1907, and have four children: Mrs. George Miner (Mary), Washington, D. C.; Mrs. Leroy Gilson (Barbara), Warren; Mrs. Gordon Hausmann (Betty), in Wilson, N. Y.; and Donald F. Edinger, Warren. Besides these, they have five grandchildren.

Table appointments for the happy anniversary occasion featured white and gold flowers and candles, with a lovely wedding cake.

Out of town guests were Mr. and Mrs. George Miner and daughter, Dolores, Washington, D. C.; Mr. and Mrs. Gordon Hausmann and children, Mark and May Kay, Wilson, N. Y.; Mr. and Mrs. James R. Gilson, Midland, Mich.; Mrs. Leon Dietrich, Erie.

AT BETHEL EUB

In the morning service, when Holy Communion will be administered, the pastor will give the meditation and Marilyn Eames will sing a solo. There will be no evening services for the remainder of the summer. Events next week: Wednesday, 7:00 to 7:30, open altar prayer service, with background of recorded sacred music, in the sanctuary. This will be an entirely non-directed service, open to any and all who feel a special need for prayer and meditation. The Good Will Class has postponed its meeting until July 9.

FIRST BAPTIST

In the 11:00 a. m. service, the pastor's sermon will be titled "Following the Glean" and there will be a dedication service for babies. Mrs. Florence Stevens will sing "How Beautiful Upon the Mountain" by Harker and "Trust in the Lord" by Handel; Mrs. Carl E. Whipple will play the Andante from "String Quartet in E Flat" by Schumann and "Postlude" by Sheppard. Youth Fellowship will meet at 7:00 p. m.; midweek service will be at 7:45 p. m. Wednesday.

FIRST LUTHERAN

"The Rejected Invitation" will be Pastor F. E. Haer's sermon theme for both morning services. Members are reminded of the 8:00 a. m. Communion Service Sunday, July 7, when new members will be received.

BETHANY LUTHERAN

"Christ's Claim on a Man" will be Pastor Carl F. Ehason's sermon topic at 11:00 a. m.

Newark Church Wedding

First Presbyterian church in Newark, O., was the scene of a lovely wedding on June 22, when Donna Jayn McCleary, daughter of Mr. and Mrs. Jay S. McCleary of 296 Woods avenue, became the bride of Robert Max Chapman, son of Mr. and Mrs. Max C. Chapman, 61 North 34th street, and formerly of Warren. Dr. Hoyt E. Kerr performed the double ring ceremony.

The bridegroom is the grandson of Mrs. James L. Chapman Sr. and Mrs. Emily Mullen, of Warren, both of whom were in attendance at the wedding.

Given in marriage by her father, the bride wore a gown of embroidered tulle, the bouffant skirt billowing over a hoop and encircled with tiers of wide flounces. Her fingertip veil of French illusion was caught to a tiara of rhinestones and pearls and she carried a single white orchid, surrounded by stephanotis, on a white ribbon.

Matron of honor was Mrs. James Merrill, Columbus, and Patricia Marmo, Pittsburgh, was bridesmaid, in ballerina length gowns of nylon sheer embroidered with a floral design. Both carried colonial arrangements of yellow daisies.

Robert Pratt, Cincinnati, flatteringly brother of the bridegroom, acted as best man; Tom Chapman, brother of the bridegroom, was a groomsmen and ushers included Roger Smith and Andrew Froyer.

A reception for 100 guests was held in the home of the bride's parents. Assisting hostesses included Misses Janet Cunningham of London, and Janet Rice, of Jackson, sorority sisters of the bride.

Out of town guests were from Columbus, Mansfield, New Lexington, Shelby, London, Jackson, Sandusky, Cincinnati, Lakewood, Warren, Erie and Pittsburgh.

Following the reception, the couple left for Miami, Fla., and, after July 1, will be at home in 148 Shelby boulevard, Worthington, O.

The bride, a graduate of Newark High School and Ohio University, is a past president of Zeta Tau Alpha, social sorority, a member of Kappa Delta Pi, educational honorary, and a member of Pi Gamma Nu social science honorary society.

The bridegroom graduated from Newark High School and attended Ohio University, where he was a member of Sigma Chi, social fraternity. He will be employed in the Columbus offices of the City Loan Company and, in September, Mrs. Chapman will be a member of the faculty of Worthington schools.

LUTHER LEAGUERS GO TO CONFERENCE

Seven Luther Leaguers from St. Paul's Lutheran church will leave this evening on the 8:30 train out of Jamestown for the 17th International Lutheran Youth Conference of Augustana Luther League at Chicago from June 29th through July 4th. Those going are Carol Anderson, Carol Johnson, Bob Karlson, Lois Henry, Mary Hagstrom, Judy Whiteshot, and Don Hendrickson, who will be housed at the conference in the Conrad Hilton Hotel along with 4250 other Leaguers from all over the world.

A typical Youth Conference day will contain Bible studies, feature films, discussion groups, sightseeing tours, and evening services. Inspirational services at the Chicago Coliseum will feature speakers and choirs from all over the world. "Know, Love, and Share Christ" will be the motto of every Luther League at the Youth Conference.

Happy Anniversary

Mr. and Mrs. William J. Mulvey, 407 Homestead Place, were honored at an open house reception in the lovely garden of their home Sunday, June 22, to celebrate the 55th anniversary of their marriage. The affair was given by their four children, Mrs. Mildred Hartweg, Mrs. R. W. Swanson, and William Mulvey, of Warren, and Mrs. Donald Babbitt, of Erie. They also have seven grandchildren and five great-grandchildren. Several small tables placed on the lawn were centered by one long table which featured a beautiful three-tier cake, flanked by silver candelabra.

Mr. and Mrs. Mulvey were married in Titusville June 24, 1902, moving to Warren in 1916. Mr. Mulvey was an agent for Prudential Life Insurance Company prior to his retirement. He is still active in bowling and she in bridge.

HARRY PRISETS HAVE 50TH ANNIVERSARY

Campaign For Spot Funds Climbs To New Total of \$4,600

A total of \$4,600 toward the \$10,000 "Spot" fund goal was reported at a committee session last evening by William Lundahl, campaign chairman. Lundahl said he felt that perhaps the several other activities now underway had held up some donations but asked the persons to make contributions as soon as possible.

Industrial and Club pledges have yet to be heard from, he added.

"Spot" Fund Raising Campaign ends July 15.

An attendance report was presented by John Stakowiak in relation to Spot activities from March 3, 1957 to closing date. He reported that there were 12,702 young people who took advantage of the Spot. This is an average of 907 per week. The Friday "pay" dances brought in \$2470, leaving a balance of people who took advantage of "free" time at 10,232.

Jim Francis, chairman of the committee in charge of rewriting and modernizing the constitution and by-laws so as to accommodate the affiliation with the YMCA and the Warren Recreation Board reported his committee is making good progress along these lines.

Present at the meeting were President Mrs. Walter Mathyer, Mrs. Merle Kremer, Dan Walton, Jeff Reidel, Jim Francis, Mrs. Lee Schaefer and John Stakowiak.

Remember—A full pot this summer will provide a full "Spot" this Winter—Give 'em what you want for your children we are asking for ! ! !

Warren Television Corporation Stops Taxing Its Services

Television cable subscribers will henceforth pay no more federal excise tax.

Effective July 1 the Warren Television Corporation will stop adding the tax to its monthly bill.

William Loucks, head of the company, said today that the Treasury Department has removed the tax in view of two recent circuit court decisions against it.

WTC is now working out a procedure so that its subscribers can obtain refunds of the tax paid during the last couple of years. This will probably require a considerable time, as all tax refunds do.

On most bills the tax amounted to 28 cents a month. Refunds will be in the neighborhood of \$10. The new rulings also lowers the WTC cost from \$1.08 for an extra line to just \$1 a month and from \$16.20 to \$15 when a subscriber moves to a house where there is no line.

Television cable companies successfully fought the tax on the ground that it was discriminatory.

Mr. Loucks added that WTC is currently adding two new channels for all subscribers and a complete story on that will be forthcoming shortly.

Going Places: The Striped Dress

NEW YORK—(NEA)—Stripes, in matching or contrasting colors, narrow or wide, take to full-skirted dresses for summer.

Because of manipulation, these stripes are anything but banal. In shirtwaist dresses or in sleeveless dresses with back interest, they have a fresh and lively look. Some of them are cinched at the waistline by leather contour belts.

Back interest in a boldly striped dress (left) is achieved through bloused back with yoke and bow trim. This is an imported cotton in blue and white.

Chalk stripes (right) are used for shirtwaist dress in Dacron and cotton. The black of the patent-leather belt is picked up by black shoestring trim on collar and sleeves. Both designs are by L'Aiglon.

Summertime Study Aid Can Be Fun

BY KAY SHERWOOD
NEA Staff Writer

THE year's final report cards may have indicated some summertime help in subjects that caused little scholars the most trouble. If you hope for smoother scholastic sailing next year, plan to mix in a dose of definite educational effort with the vacation play.

Of course, if difficulties are serious you may want to seek professional help through your board of education. They should be able to help you locate remedial reading classes or tutors who will undertake private lessons.

But for many youngsters, an imaginative and not-too-strictly planned effort can help them assimilate and retain what they studied in school.

In my experience with an unmathematically inclined daughter, merely suggesting 15 minutes of drill a day is not enough to elicit enthusiasm. You have to plan a variety of approaches.

HOUSEHOLD DUTIES can include setting clocks, running errands and making change, measuring and writing down the results. Educational games such as picture-word flash cards and counting games like dominos are fun to play.

Other aids to sugar-coated education can be explored. Records are a helpful source.

With an ordinary record player you can study phonics together or brush up on foreign-language requirements. Or you can enjoy talking books of famous favorites like "Alice in Wonderland," "Robin Hood" or "Treasure Island," which often step up an interest in reading.

ANOTHER aid, good for an occasional treat, is rental films. Catalogued according to school grades, the films range from mer Denver receptionist.

The blue-eyed, convent-reared bunnet came here in 1952 to attend a merchandising school but began to pose for magazine illustrators after she went broke.

"I wouldn't go back home for my pride's sake," she said.

She soon turned to modeling, and found a quick success in the field. Slender and unusually photogenic, her trade measurements—if we must give away trade secrets—are 36-22-33.

Low gets from \$40 an hour for fashion modeling to \$150 an hour for full figure studies for photographic magazines or ads showing her stepping out of a bathtub clad only in a towel.

She married and divorced a young actor shortly after arriving here. Now she supports a 3-year-old son, Michael, and shares an East Side apartment with her younger brother, who attends Columbia University.

On the subject of wolves, she observed:

"In the business I'm in I have to be very careful. The wolves in Manhattan come in all ages. Some are nicely treacherous—and some are just treacherous."

"First, there are the older wolves—60 to 70 or more. They are usually married millionaires who try to recapture their youth by capturing a model," she said.

"Then there are the perennial playboys—actors and wealthy businessmen—who make a game out of trying to date every new girl who comes to town."

"Then there are the middle-aged wolves on expense accounts who use a girl as if she were a watch charm. They are insecure in themselves, and think being seen with a pretty girl will help them make a big impression."

The trouble is that most of the wolves she meets already have happy homes—so happy they can't stand the joy of staying in them at night.

Public libraries and photo dealers can advise where and how to rent films. The cost is not excessive and some industries have produced films available on loan for the cost of postage.

Most of these educational films are made to be shown on a 16-mm. projector. If you don't own one, you can usually rent one at a camera store.

Congenial families who share an interest in home-produced arithmetic to atomic energy, from simple nature studies to civics.

FOR YOUNGSTERS working hard to improve their proficiency in a sport, a home-produced movie can be an education of a different sort. Even the small 8-mm. camera can accurately record the swing of a sandlot ball player, the stroke or dive of a swimmer, or the off-balance tennis service.

Viewing himself in action will help the young sports enthusiast correct his own faults.

Former All-American Soap Box Champions

In the 19th All-American Derby last August, each of the 155 champions was saluted by President Dwight D. Eisenhower with a congratulatory message in the form of a plaque. For the second consecutive year, the Rochester, N. Y. champion was victorious. Winner was slim, 14 year old Norman Westfall who nosed out the champions from Daytona Beach, Fla. and Long Beach, Calif. Champions who won prior to World War II all served in the armed forces. Most of them are now in business or professional work. The All-American Soap Box Derby was suspended by Chevrolet during 1942-1945, because of the national emergency. Boys who have won since 1945 are now completing school or college work.

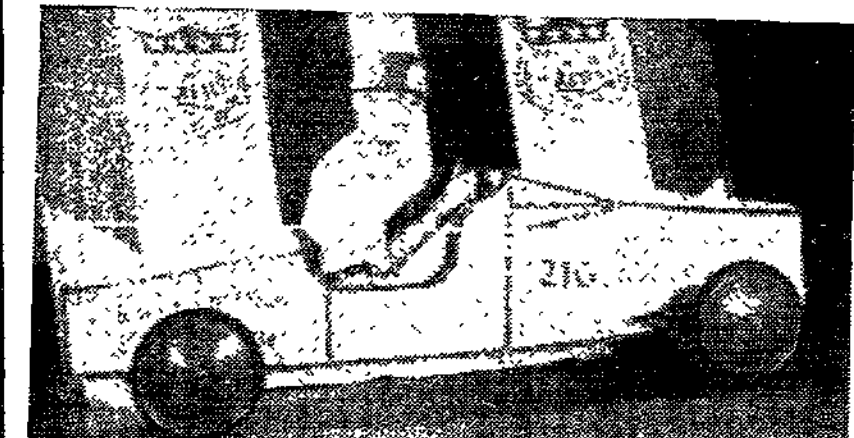

Following is a list of former All-American Champions:
1934—Robert Turner, Munice, Indiana.
1935—Maurice Bale, Jr., Anderson, Indiana.
1936—Herbert Muench, Jr., St. Louis, Missouri.
1937—Robert Ballard, White Plains, New York.
1938—Robert Berger, Omaha, Nebraska.
1939—Clifton Hardesty, White Plains, N. Y.
1940—Thomas Fisher, Detroit, Michigan.
1941—Claude Smith, Akron, O.
1946—Gilbert Klecan, San Diego, California.

Akron Executive Director Is Hoping For Biggest Derby Yet

"This year it is most fitting that we observe the 20th anniversary of the Soap Box Derby at time when it is making its greatest impact on people all over the world," says W. G. Power, Derby Executive Director and advertising manager of Chevrolet. Chevrolet is national sponsor of the activity. "The occasion can best be observed," Power urged, "with 20 per cent more boys in the local races, 20 per cent more attendance, 20 per cent more enthusiasm, 20 per cent more adults assisting with the work and 20 per cent more of all activity geared to make this our biggest Derby year."

The 20th All American on August 18 will be held at Derby Downs, the track designed specifically for this great boys' event. The champions will vie for a share of \$15,000 in college scholarships and other valuable awards and trophies offered by Chevrolet Motor Division, Chevrolet co-sponsors

DERBY "SPARKPLUGS": Industrious Derby Director Dana Harland and track director Earl Nagel pose with the "official car" which will be used to coordinate activity at Derby "Central Avenue" Downs tomorrow afternoon.

Article Explains How Heat And Lane Are Chosen

The following article explains how drawings determine heat and lane of each contestant at Akron Derby:

Three days before the race drawings are held to determine the heat and the lane in which the champions will race in their first round. During later eliminations, lanes are determined by lot between rounds. Three, and occasionally two, cars, race in each heat. At the starting line near Topside, cars are lined up with noses against metal baffle plates. These plates are attached to a metal shaft. When the starting lever is released, the baffle plates drop even with the track and the cars are away to a perfect start. On race day, one heat is dispatched every 60 seconds. It takes five rounds to determine the champion.

Rain date, may the heavens forbid, shall be 10 a. m. on July 4th. Banquet will go on schedule Saturday night—come what may.

The Warren County winner of the local Soap Box Derby, will be treated to four days packed with action, excitement and fun when he goes to Akron to take part in the 20th All American.

Climax of the big weekend will be the race on Sunday, August 18, when he competes with 150 champions from other parts of the United States, Canada, Alaska, and countries overseas for prizes and national acclaim.

While in Akron, the champion will live at Derbytown, the YMCA summer camp for boys on the shores of scenic Lake X-Notak south of the city. The camp is the home and recreation center for all champions at ALL-AMERICAN time. National celebrities invited to Akron for the All-American will visit the champions at Derbytown.

From the time they arrive at Akron on Thursday, August 15, until the final moments of the Banquet of Champions Sunday night, August 18, there will be one big event after another for the boys. But there will be plenty of time for relaxation and fun, too.

The All-American week begins for the champions when they arrive at Akron on Thursday, August 15. Behind a special escort, each boy is whisked to All-American Headquarters at the Sheraton-Mayflower Hotel where he mounts the Golden Stairs leading into the lobby, to the cheers of well-wishers.

After the rousing welcome, the champion is specially outfitted with a Derbytown uniform and taken to the camp where he will stay for the remainder of the week except to go to Derby Downs and to the Banquet.

Friday, August 16, will be test day for the champ. Along with other contestants, he will visit the famous Derby Down race course for a final check-up of his car. Last-minute inspection routines and a chance to make a test run down the hill.

Saturday, August 17, is Fun Day for the Champions. Celebrities will visit the camp and wish the boys luck. Industry and business executives will don aprons and caps to serve an outdoor barbecue meal. Championship wrist watches and racing diplomas will be awarded. There will also be moments of leisure for swimming, boating, horseback, and other sports.

The 20th All American will get under way promptly at 2:00 p. m. on Sunday August 18. The first round heats will be run according to official drawings made on Thursday preceding the race. Prizes, including \$15,000 in college scholarships, will be awarded at the Banquet of Champions Sunday night.

Full Force of Nature Sealed in Tiniest Seed

Here's a pretty girl with some pretty plans. Television actress Rhonda Sherwood finds that those two spring and summer stand-bys, seed packets and seed catalogs, can be almost as colorful as the garden she is looking forward to.

A tiny seed, which looks like nothing much at all, is in reality a dynamic reproducing mechanism holding within its non-descript covering the regeneration powers of nature that carry down through the ages. Every seed contains within its one or two protective coats a tiny plant and food supply which, given the right conditions, will grow into the plant from which the seed came. All a seed awaits is water, air and sun to become one of the glories of this world, a beautiful growing plant.

Seeds from different plants will surprise you. They're not alike in size, color, shape or numbers. A plant which is delicate and thrives only under perfect weather and soil conditions generally has many fine seeds. This is nature's way of compensating for the fact that these seeds have a poorer chance of survival.

Other harder plants, that don't have too great a struggle to flourish, have larger seeds and fewer of them. The average seed is about the size of a kernel of rice. Although most seeds are of a dullish color, some seeds are red, purple, blue, yellow, etc. Seeds are also of many shapes, such as oval, round, elongated and flat.

Most seeds have four things in common: they are formed in the flowers of plants; each seed has its own tiny plant which has the power to grow into a plant like the one that made it; every seed has food in it to nourish the tiny plant as it starts to grow, and nearly all seeds have a protective covering or coat.

Such is a seed as we see it. It also has a history.

For example, lotus flowers, which sprouted from seeds that were estimated to be over one thousand years old are growing today in the Kenilworth Aquatic Gardens in Washington, D. C. With modern day seedsmen, all ways at work testing the viability of seeds to insure strong, healthy, vigorous plants for today's gardeners, the story of these ancient seeds reads like a detective fairy tale.

Many years ago in faraway South Manchuria, a beautiful lake disappeared. No one would have known that it ever existed if it hadn't left behind some mysterious seeds buried deep in the mud of the lakebed. There, in peatbogs covered with dust from the Gobi Desert, the seeds rested for hundreds of years. For generations the native farmers have been digging them up and eating them. Finally, out of curiosity, some of these strange seeds were sent to Ichiro Ohga, a Japanese botanist in Tokyo, for analysis.

Ichiro Ohga ran a series of tests which convinced him that the seeds were all viable, or living, and that they were hundreds of years old. He learned from these experiments that some seeds stay viable better when they are buried in soil. They need oxygen or air to sprout. Ichiro Ohga sent some of these seeds to scientists in other countries—which is how they come to be growing in Washington, D. C., hundreds of miles and years from where and when they were planted.

FRISCILLA'S POP

By AL VERMEER

MUSIAL, FELLER APPEAR—Stan Musial, St. Louis Cardinals' star, tests the muscle of Stevie Feller, 11, while his father, Bob, ex-Cleveland Indians' pitching great, looks on. Feller, president of the Major League Players' Association, appeared with Musial in Washington before the House Judiciary subcommittee investigating professional sports. Feller said there should be a five-year limit on baseball's controversial reserve clause. Musial, however, thought the clause should be left alone.

TESTIFIES—Dr. Werner Von Braun, above, German-born rocket expert, is shown arriving at Col. John C. Nickerson's trial at Redstone Arsenal, Huntsville, Ala. He testified that Nickerson felt a duty to "do what he did" to try to keep Army control of the Jupiter missile.

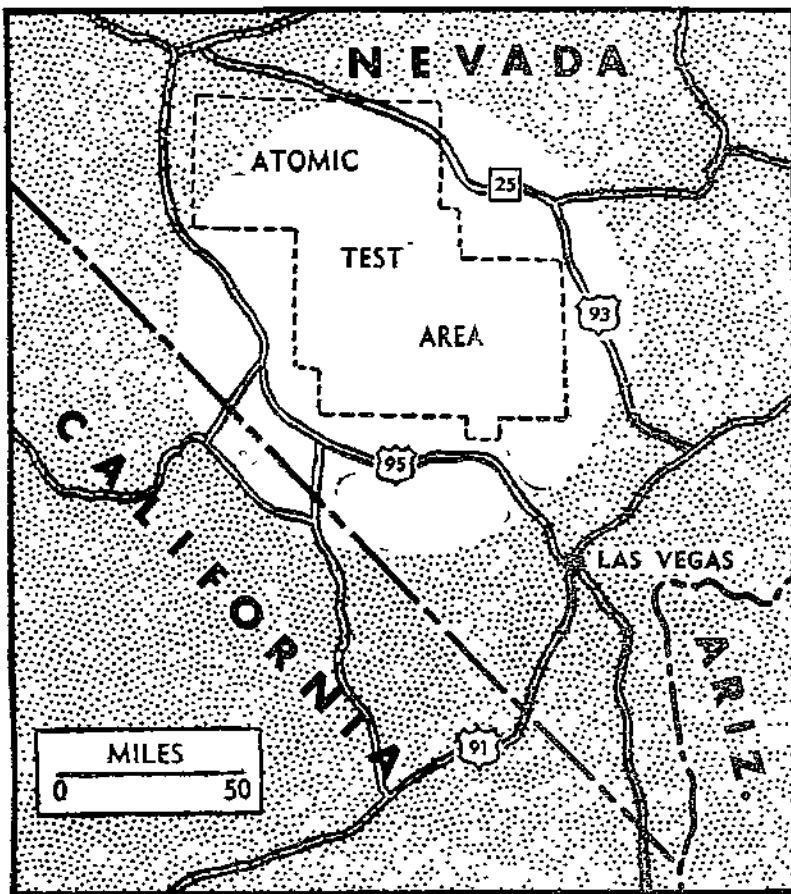

HIGH ON THE HOG—That's the way this puppy's living in Raleigh, N.C. The pup's grabbing a free ride doesn't bother "Blue Boy," a hefty porker. He just keeps rooting up dinner while puppy "hams it up."

RESCUE EFFORTS AT MINE—Rescue workers early today gear up from the entrance to the Betsy Operation of the Powhatan Mining Co., where a cave-in has trapped five men at Fernwood, about 10 miles west of Steubenville, Ohio. A shaft supplying air to the men collapsed during the rescue operation, shutting off the main supply of oxygen.

ROLLING WEDDING—Really "wheeling" into married life, Mr. and Mrs. Donald Dee Glyn get showered with rice following their wedding in Opelousas, La. Glyn has been handicapped since he was 15 years old, his wife since she was 11.

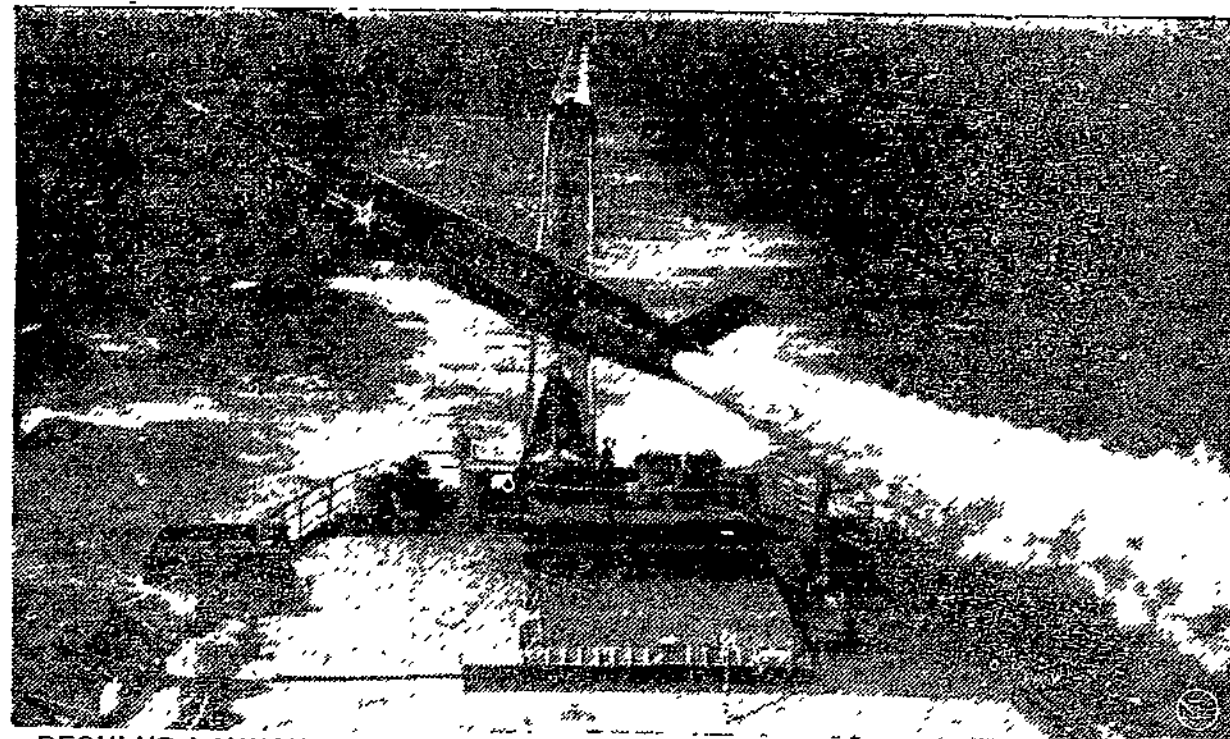

AEC ISSUES WARNING—Following injury to the eyes of two women viewing Tuesday's atomic test at Yucca Flats, Nev., the Atomic Energy Commission has issued new warnings. Residents, motorists and fliers in an 11,300-square-mile area (white circle) around the test site have been advised of potential eye damage from next Thursday's larger test.

CHARGED—Glim and handcuffed, Thomas Whitaker is shown in Vigo County (Ind.) Jail after surrendering to police. He has been charged with first degree murder in connection with the deaths of his ex-wife and son. The 39-year-old truck driver allegedly killed Mrs. Alma Martin, 36, and Jack Whitaker, 11.

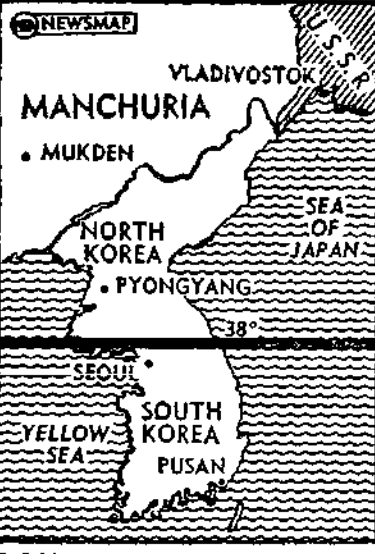

NICKERSON TRIAL CONTINUES—Following a morning-long closed session of Col. John C. Nickerson's court martial at Redstone Arsenal, Huntsville, Ala., witness Dr. Ernst Stuhlinger, center, leaves for lunch. Stuhlinger is flanked by Nickerson, right, and the latter's military counsel, Lt. Col. Charles Zimmer.

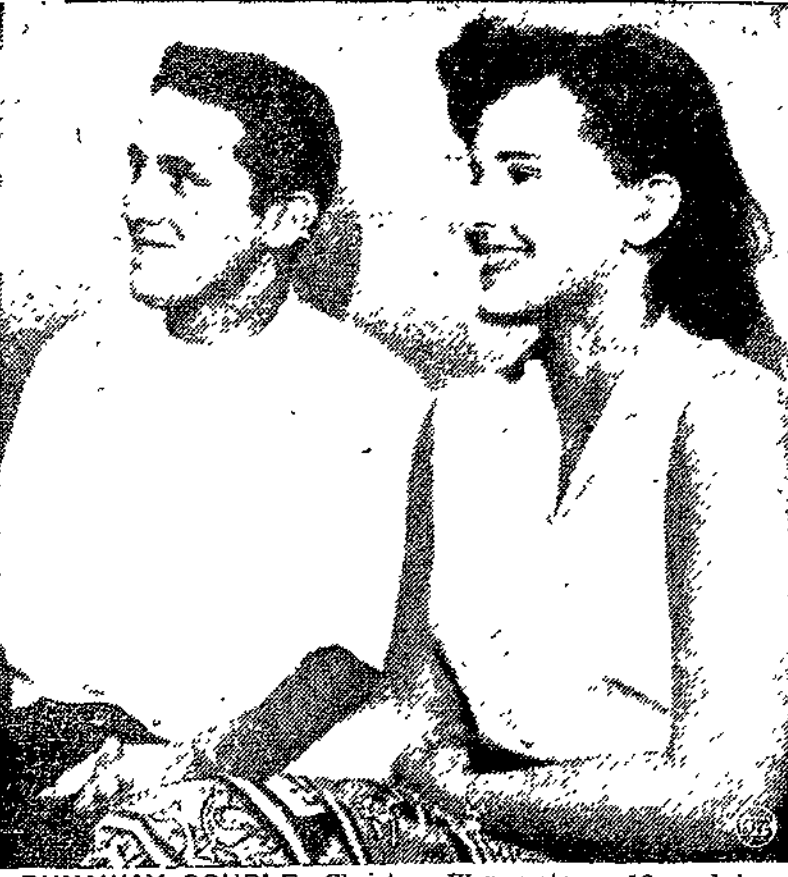

REGULUS LAUNCHED—A Regulus guided missile streaks from the deck of the carrier USS Helena during a missile exercise. Photo was taken somewhere in the China Seas.

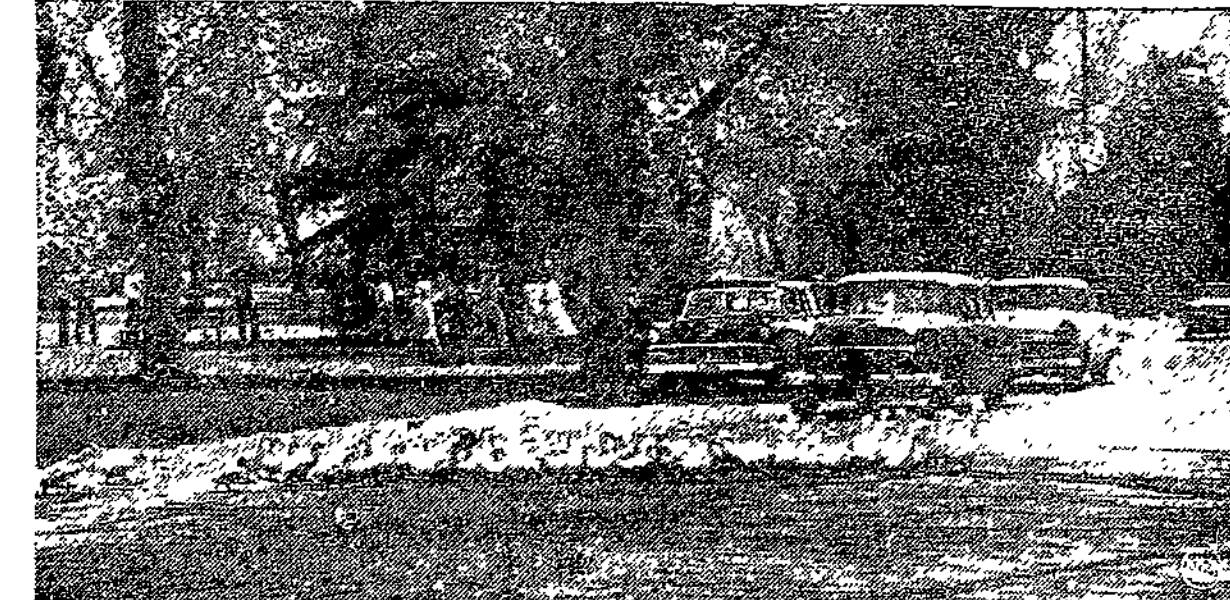

THIS WAY, SON—Pat McMurtrey gets punching instructions from his manager and father, Clarence. The young Tacoma heavyweight is a serious challenger of Floyd Patterson.

TRUCE LINE—Dark line on Newsmap shows location of the armistice line in Korea, which stopped the fighting when it was established on July 27, 1953. The United Nations Command has notified the North Koreans and the Communist Chinese that, because of their "complete disregard" of the truce agreement, Allied forces will receive modernized arms and equipment, including new jet planes capable of carrying atomic bombs.

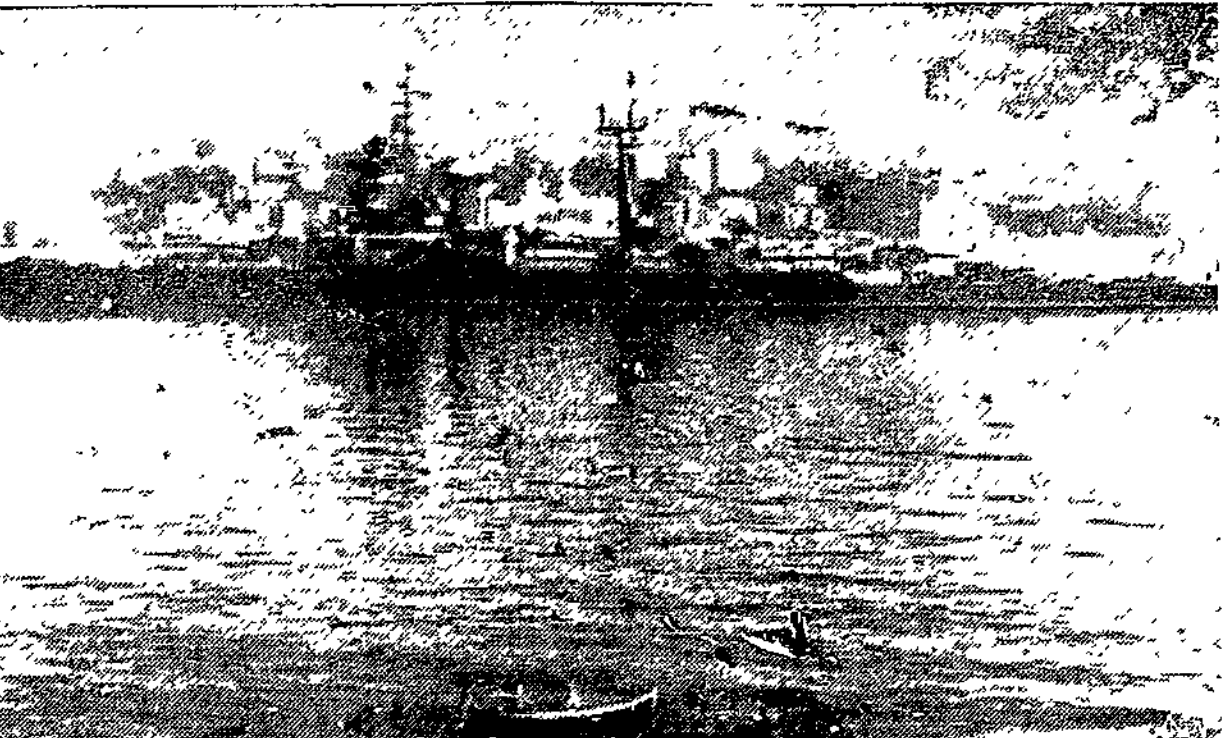

RUNAWAY COUPLE—Christina Wennerstrom, 16, and her 18-year-old beau, congressional page boy Huw Karran Williams, hold hands in the Williamsport, Pa., state police barracks after they were apprehended for speeding. The girl, daughter of Swedish ambassador Stig Wennerstrom, has been the object of an intense search since her June 2 disappearance.

DUCKY PARADE—Waddling across the road in single-minded style, this duck detachment takes over the right of way in Denver's City Park, much to the annoyance of local motorists. Heading for a dip in the deep, the feathered flock was obviously convinced that the water was a little bluer in the lake on the other side.

PREMIER ADDRESSES HOUSE—Japanese Prime Minister Nobusuke Kishi, behind microphones, addresses the House of Representatives in the Capitol. He promised Congress that Japan will stand staunchly behind the United States to face "the challenge of international communism" in Asia. On the rostrum behind Kishi is House Speaker Sam Rayburn.

SOVIET SHIP IN BOSPORUS—An unidentified Soviet cruiser passes through the Bosphorus strait by Istanbul, Turkey, en route to the Mediterranean from the Black Sea. She was accompanied by other Russian ships. More cruisers and destroyers were expected to pass later in the day. Destination of the flotilla is unknown.

DIPLOMAT'S DAUGHTER FOUND—Williamsport, Pa., police arrested 16-year-old Christina Wennerstrom, missing daughter of a Swedish diplomat, and congressional page boy Huw Williams, 18, for speeding. The young couple, shown above, insisted that they had been married in Charles Town, W.Va., June 1. In Washington, D.C., the girl's mother, Mrs. Stig Wennerstrom, said her daughter, missing since June 2, told her by phone that she had not been married.

Plans Completed
(From Page One)

Unit has volunteered to donate crash boats and drivers.

A gala program of races is planned for the afternoon, a program that in its entirety will last about four hours. There will be many different types of races, with many heats.

One of the best features of this program is that nowhere else during the week will spectators find such an unobstructed view of proceedings. From either the Warren Hospital Bank or the Pennsylvania Avenue Park Bank, anyone can see the races. For this big event, there is no admission charge, and Jaycees feel that it will long be remembered as one of the outstanding events of a long and exciting week.

For those who require refreshment while they watch the races, Hank Powell and his committee will be on hand to serve only the best.

Area residents will remember that the last similar full scale racing event of this nature was held back in 1951 in conjunction with the Fourth of July celebration that year. Because the 1951 races were such a great success and because Jaycee Mid-Summer Mardi Gras Committee has been long determined to make this week a full one, they have rescheduled the races. Spectators can look forward to an afternoon complete with thrills, spills as the seasoned drivers try to outmaneuver each other in the quest for cash prizes and trophies.

SENTENCES REDUCED
Harrisburg (P)—Gov. Leader today reduced the life sentence of eight men who asked the Pardons Board for clemency in April. The action was taken upon recommendation of the board and makes the prisoners eligible for immediate parole.

without any pay roll cuts. In fact, on the basis of the money now allocated to us we can even add some essential patient services and continue the improvement we started when I took over. The secretary has been a big help to us in the past. He put me here to do a job. I can't believe he'll stop me from doing it."

Interviewed at his Philadelphia home, Shapiro was asked about reports that he'd be swinging the economy ax when he makes a scheduled visit to Allentown State Hospital next Tuesday.

He replied: "Yes, there will be dismissals. There will be dismissals in Allentown and in every mental institution in the state, and in the departments as a result of the failure to provide the funds requested."

NOTICE

"Decisions" at Graham Meetings Total 24,093

New York (P)—Evangelist Billy Graham told his audience at Madison Square Garden last night that "there is a storm in your soul tonight, and Jesus can bring peace."

"You don't have to face this storm alone," he told the assembly, estimated at 14,500.

Luke 8:23-3 provided the text. The Graham "team" announced 445 "decisions for Christ" last night, raising the total to 24,093.

The total attendance since Graham's crusade started at Madison Square Garden May 15 was announced at 754,500.

JOURNAL EDITOR DIES
Pittsburgh (P)—Funeral services will be held tomorrow for Dr. Walter F. Donaldson, 84, editor of the Pennsylvania Medical Journal and past president of the Pennsylvania Medical Society. He died Wednesday at his home in nearby Bakerstown. Dr. Donaldson was a physician for more than 50 years and was secretary-treasurer of the Pennsylvania Medical Society for 9 years.

DARTMOUTH RAISES
Swarthmore (P)—Faculty salary increases ranging up to \$2,000 a year have been announced by Swarthmore College. The new salaries are believed to be among the highest in the nation for college teachers. Dr. Courtney Smith, president of the school, said the salaries will now range from \$4,500 for instructors, up to \$14,000 for some professors. Professors were raised \$2,000; associate professors, \$1,500; assistant professors, \$1,000 and instructors \$500.

CRAWFORD SHERIFF DIES
Meadville (P)—J. Floyd Van Winkle, 69, sheriff of Crawford County since 1946, died early today after a month's illness. Van Winkle, a Republican, declined to seek re-election at the recent primaries. Dr. Sherman Watson, corner of the county, will serve as sheriff until an appointment is made. Van Winkle's term was to have ended Dec. 31.

SWEDISH PAINTER ARRIVES
Camden, N. J. (P)—A 50-year-old Swedish house-painter who is an expert on the American Indian is in this country for a six-week tour of the Redman's reservations. He is Erik Englund and he won the equivalent of \$3,000 on Sweden's top quiz show "10,000 Crowns" by answering questions about Indians. Englund landed here with his wife and two sons, Bjorn, 15, and Rolf, 10, from the freighter Selma Thorden yesterday.

SOUTH PENN. ELECTIONS
Oil City (P)—Directors of South Penn Oil Co. have elected John E. Seiden of Oil City president to succeed George J. Hanks. Hanks, who had been president from 1944 until his retirement recently, was elected chairman of the executive committee. All other officers were re-elected at an organizational meeting yesterday.

PLANT VACATION
Deluxe Metal plant is closing today for summer vacation. Except for a skeleton crew, the plant and office will remain closed until Tuesday, July 16th.

ANOTHER POOGH
By calling 1388 now, you may make some children (preferred by owners) happy by giving them a blond cocker spaniel dog. This dog is being given away and is a 3-year-old male.

SONS OF ITALY ELECT
Judge Eugene Allesandrini today began his 13th two-year term as president of the Pennsylvania Sons of Italy. He has held the post since 1923. Also re-elected at the convention in Erie this week was Ernest Biagi, of Philadelphia, recording secretary. Other officers will be chosen tomorrow.

SPECIAL SERVICE
Construction of a new medical and evangelism center dedicated to preaching better health for both the body and spirit will begin soon in Osaka, Japan's second largest city, as the result of financial support to be given at special services of the Warren Seventh-day Adventist church, Fourth avenue, on Saturday. The Saturday services will feature a review of the church's world missions program, beginning at 1:30 p. m. According to Donald Lauger, Sabbath school superintendent, the new center "will minister to the needs of more than four million persons in the Osaka-Kobe areas."

ALASKAN TIMBER
In Juneau, Alaska, there are timber resources of 20 billion board feet of western hemlock and Sitka spruce, according to the Encyclopedia Britannica.

CORYDON
Corydon—Mr. and Mrs. Cecil Williams and family, East Randolph, have been callers at the True home.

Marjorie Williams, daughter of Mr. and Mrs. Roy Williams, is home for her summer vacation from studies at George Washington University in Washington, D. C.

SUGAR GROVE
Sugar Grove—Preaching at First Presbyterian church at 11:00 a. m. Sunday, Rev. James M. Fisher will use the topic "Our Christian Heritage."

Mr. and Mrs. Albert Zender, Fostonia, O., were Tuesday night guests of their grandmother, Mrs. J. A. McIntosh.

Alden Stearns is home from Erie Veterans' Hospital, where he has been a patient for several months.

Howard Joss, Rochester, was a Tuesday night guest of his parents, Mr. and Mrs. F. A. Schoonover. Also guests of their grandparents for some time are Jeffrey and Keith McLallen, of Rochester.

THE GRIPPING STORY of Lonesome Rhodes and his meteoric rise from obscurity is the background for Elia Kazan's production of Budd Schulberg's "A Face in the Crowd" premiering Sunday at the Liberty Theatre. Andy Griffith and Patricia Neal star in the production.

Events next week include the Sunday School Teachers' meeting at 7:00 p. m. Tuesday at the C. Walter Johnson farm on Yankee Bush road.

FIRST METHODIST

Cervin L. Smith, educational secretary of Pennsylvania Temperance League, will speak on "See, See Not" at the 11:00 a. m. service. Guest soloist Stephen Coe, of Brown University Glee Club, will sing "Teach Me to Pray" by Jewitt and "Lord, Make Me Strong" by DeVille; George A. Johnson will play "Largo" by Handel and "Fountain Reverie" by Fletcher. There will be no Youth Fellowship this week.

CALVARY BAPTIST

Associate Pastor Richard Reed will be in charge of Sunday services and will deliver the messages. Events next week, in addition to midweek service and the Saturday Prayer for Revival, will be a Tuesday evening gathering of women of the church for a shower honoring Mrs. Harold Gross.

BETHLEHEM COVENANT

Guest preacher at the 11:00 a. m. service will be Rev. David Vennberg, of Sugar Grove Mission Covenant church. There will be no evening service. Events next week: Wednesday, 7:30, prayer fellowship. There will be no choir rehearsal, members having two months' vacation in July and August. Early registrations are asked for Covenant Young People's Retreat at Mission Meadows July 3-7.

EPISCOPAL MISSIONS

St. Francis, Youngville—In the 10:30 a. m. Family Service of Morning Prayer, the sermon topic will be "One Is Christ—The Real Basis for Christian Unity?" Mrs. Henry Carlett has accepted appointment to chairman the Sunday nursery class and, with her assistants, will conduct this group during the sermon at the 10:30 service each Sunday during the summer. Plans are being made for reorganization and opening of the church school in September. Events next week: Monday—Friday, 7:00 a. m., Daily Morning Prayer; Thursday, 7:15 a. m., Holy Eucharist, with special prayers for the United States. St. Luke's Kinzua—In the 8:30 a. m. Holy Eucharist, the sermon topic will be "What Do We Offer and Why Do We Offer?" Next week's events: Wednesday, 7:00, Evening Prayer, and 7:30, vestry meeting.

1ST PRESBYTERIAN

In the 9:00 a. m. service, the Rev. Donald H. Spencer will preach on "Victory Over Doubt"; Carroll Fowler will play "Our Father Who Art in Heaven" and an "Ain," both by Bach; Robert Dietrich, tenor, will sing "God My Shepherd Walks Beside Me" by Bach; the offertory anthem will be "Sing Unto the Lord" by Bach-Goldworthy.

GRACE METHODIST

The Rev. H. L. Knappenberger, District superintendent and former pastor, will be guest speaker at the 11:00 a. m. service; Richard Pratt will play "In a Garden" by Demarest and "Prelude and Fugue in C" by Bach; the guest soloist, Gweneth Pearson, will sing "Hold Thou My Hand" by Curran and "The Prayer Perfect" by Stenson. There will be no midweek service July 3 because of the holiday.

TRINITY MEMORIAL

In the 10:00 a. m. service of Morning Prayer, the rector will preach the sermon; music will include "O Taste and See How Gracious" by Goss, sung by the Senior Choir under the direction of Richard Pratt; an organ music, "Now Thank, My Soul, Thy Master" by Pachelbel and "Ricercare" by Frescobaldi. For next week, there will be Holy Eucharist at 7:30 and 10:00 a. m. Thursday.

REFORMED CHURCH

For the 9:45 a. m. service, Rev. John A. Berger will preach on "Filled With the Wine of the Spirit," Mrs. Stewart Van Ord will be soloist, Joan Weitz will be at the organ. Events next week: Monday, 8:00, Women's Guild, with Mrs. Lorena Dickerson in charge of devotions and topic, Mrs. Vera Taft, Mrs. Ida Taft, Mrs. Beverly Littlefield and Mrs. Kay Staziser the hostesses; Tuesday, 7:30, Consistory meeting.

HESSEL VALLEY

MISSIONS DAY

AT FIRST EUB

"The Greatest of These" will be the theme of the special Missions Day observance at the 10:00 a. m. Sunday School Hour, when the Busy B's will have a special feature and WWSV members will report from the Branch convention at Findley Lake concerning work in Brazil. Holy Communion will be administered at 11:00 a. m., with the meditation by Rev. C. B. Kinney. C. T. Prichard will play "Cling to the Cross" by Protheroe; the choir will sing the anthems, "Pray When the Morn Is Breaking" by Price and "Bread of the World" by Wilson. Because of the national holiday, there will be no activities at the church the coming week.

PENNA. AVE. BAPTIST

The pastor's sermon topic at 11:00 a. m. will be "God's Yes" for the 7:30 p. m. Gospel Service, he will speak on "Freedom" and Miss Hook will sing.

AT SALEM EUB

The pastor will preach on "Farsightedness" at the 10:45 a. m. service; the organist will play "Legions for Christ" by Wilson and "Are Ye Able" by Mason; the choir anthem will be "O How Amiable Are Thy Dwellings" by Rogers. Boys' and Girls' Fellowship will meet during the worship hour. Events next week: Monday, 8:00, Willing Workers Class; Monday through Wednesday, 9:00 to 11:30 a. m., Union Vacation Bible School at Epworth church; Wednesday, 6:30, choir rehearsal.

Bible Words for Today

MATTHEW 5:17—"Think not that I am come to destroy the law, or the prophets; I am not come to destroy, but to fulfill." (King James Version)

"My son Hannibal will be a great general," said Hamilcar, "because of all my soldiers he knows best how to obey." The greatest soldiers of the cross have been obedient to the law of God. The Ten Commandments are rules for the building of character. Jesus did not repeal them—he fulfilled the law, and under grace and love a higher ethical life is required.

A master and slave went fishing. On their way back late at night, the master became sleepy, and turning the helm over to Mose, he pointed out the North Star and urged him to keep his eye on it. But the servant's eyes became heavy and he fell asleep, too. When he awakened, he called his master frantically. "Wake up! Show me another star. I've done run clean past this one!"

Many have lost sight of the law of God, but we can no more run past it than past the North Star. About once in a century there appears someone like Francis of Assisi who is willing to be utterly obedient, and God uses that person to make Christian history. Where is there such a person for this century?

National Spurt Is Keeping New York Giants in the Race

By ED WILKS
The Associated Press

Are New York's Giants for real? They're still in sixth place in the National League race, but they've won 12 of their last 16—half of the victories against Milwaukee and Cincinnati. And they've been doing it with one .300 hitter Willie Mays, and just three pitchers who've won more than they've lost. Ruben Gomez, 9-5; Al Worthington, 7-4; and Ray Crone, 4-2.

Days and southpaw Johnny Antonelli, two leftovers from the 1954 pennant team, and rookie catcher Valmy Thomas moved the Giants within 3½ games of fifth place last night with a 7-2 victory over Cincinnati, which fell from second to third.

The St. Louis Cardinals retained first place, by half a game, as young Von McDaniel, the \$50,000 bonus right-hander, won his third in a 6-4 decision over fourth-place Philadelphia. Milwaukee took over second place, beating fifth-place Brooklyn 2-1 on Bob Buhl's four-hitter.

Pittsburgh defeated the Chicago Cubs 5-4 in 10 innings on an RBI triple by Jim Pendleton, who had three of the Pirates' six hits.

The American League race tightened, with Chicago and New York sharing the lead after Boston the White Sox twice 8-3 and 9-2, and Cleveland's Early Wynn handed the Yankees their first shutout 2-0 with his four-hitter. Detroit salvaged only a half-game edge over Boston for fourth place after a 7-2 thumping at Washington.

Mays unloaded his 13th home run, with a man on, in the first against loser Don Grs and the Giants then made it 5-0 in the second with Thomas knocking in two runs. The Giants totaled 12 hits, including Whitey Lockman's solo home.

NCAA TOURNAMENT

Colorado Springs, Colo. (P)—Handsome Rex Baxter Jr. of Houston's national champions and gangling Ernie George of San Jose State were the favorites to gain the finals of the upset-studded 60th annual NCAA golf championships today. But there wasn't a cinch match on the program as eight survivors teed off for the first of two rounds this morning on the Broadmoor course.

Speaking of Sports...

Organized baseball bowed out of Jamestown Tuesday night during Hall of Fame exercise there and as of this reading, if a new franchise has not been secured for the team, Class D. baseball has suffered another setback. Bradford folded earlier this year.

Jamestown Falcons which had its franchise made available in 1940 when Niagara Falls folded, now undergoes an ironic twist as they attempt to have the N-F Club pick up the franchise again after 17 years.

The team was not disbanded after the announcement was made Tuesday night, although the game with Elmira Wednesday was postponed. Falcons did play a double header last night at Elmira and plays its final game there tonight if no new enfranchisement has been secured.

Assistant Farm Director Bill Turner of Pittsburgh said most of the Falcons could be placed with other clubs in the Pirates chain. Which adds another ironic twist to the scene since Pittsburgh held the first (1889) and the last working agreement with Jamestown.

In a happier note at Jamestown's finale in the former PONY League, Toby Lyons, formerly of Warren and now undercontracting at Moon Brook County Club

TOBY LYONS

in Jamestown par was admitted to the Hall of Fame there and received a plaque in the final game at Municipal Stadium. Toby is now the wonder boy of golf at Moon Brook and cuts a sizeable swath in the golf southern circuit.

From our old friend and former associate on the Times-Mirror editorial staff, Floyd Passinger, on the Youngstown Vindicator, we receive the following appeal for assistance: "Hi Ed, Am soliciting a little help. Would appreciate an item or two in your sports section on \$1,000 amateur-amateur best ball tourney at Hubbard (Ohio) golf course Sun., July 21. 18 holes at scratch, open to amateurs with driving distance. \$10 entry per man, tee times can be reserved. NEA Sports Editor

NEW YORK (NEA)—Peter Thomson was a bit upset after his last two rounds—74 and 77—in the United States Open at Inverness.

So much so that young Thomson flew to London threatening to take up Dr. Cary Middlecoff's fiddling around on the golf course.

Middlecoff, you see, is going to make his first bid for the British Open, July 1-5, and the Old Course at St. Andrews was built for a scrambling competitor like the Memphis dentist.

The first golfer ever to win the British Open three times in a row, Thomson has come to regard this particular trophy as his permanent property.

AND HE MADE IT CLEAR that he doesn't intend to let Middlecoff's notorious delaying-action snap his remarkable run.

Thomson, the 27-year-old Australian, has a point and said he intended to stress it before the championship committee at St. Andrews.

Gene Sarazen commented that in 37 years of golf, he had never seen play so slow as it was in the second round of this year's Open in Toledo.

"THERE WERE FOUR THREESOMES on some tees," said the Little Roman. "There were five and 10 minute waits on the tees and second shots."

An old guy like me can't stand on his feet for five hours and play well and young fellows like Thomson can't possibly concentrate that long."

Middlecoff is an even more frustrated surveyor than Ben Hogan.

Again like Hogan, he is one of the game's deeper thinkers and that requires time. He wiggles and waggles his club longer than a worm on a fishing hook. He turns his head from ball to hole and back again a dozen or more times and then practically freezes over a putt before stroking the ball.

There is a two-stroke penalty for undue delay in play and the rule calls for disqualification for repeated offenses. Play can't move any faster than its slowest combatant.

"WHY DON'T THEY ENFORCE the rule?" asked Thomson. "They probably would in Scotland," cut in Sarazen. "They are quicker to penalize on the other side."

"I warned Hogan that he would have to speed up his recall in San Francisco in 1955 and he cooperated wonderfully," recalled President Richard Tufts of the United States Golf Association.

"I advised Middlecoff and Thomson that there was a hole open ahead of them in Rochester last year," recollected Executive Secretary Joseph Dey of the USGA. "and Cary cooperated beautifully."

"Middlecoff is unconscious of backing up the field."

"As his pretty wife, Edie, says, he's just being his natural self. He just can't hurry."

But Peter Thomson is going to ask the British brass to see that Cary Middlecoff gets a move on.

C. for any interested. Hubbard pro Joe Vitullo is friend of mine, and would like to get representative field from Ohio, Pa., N. Y., and W. Va. Thanks for any help you can give. Will drop in for a visit during vacation late in July. Regards, Floyd Passinger."

Paul Garrison Leading Publix Tourney Field

Helshey, (P)—The second half of the annual Pennsylvania Publix Golf Tournament, opened today with a pared-down field of 40 golfers seeking to erase the impressive lead of medalist Paul Garrison.

Garrison, who took the championship in 1954, collected a 73-72—145 for the first two rounds of play to take the medal.

Only three strokes over par for 36 holes, Garrison's score puts him in the favorite spot to take the title now held by his brother Art, the 1956 champion. The 72-hole tournament ends Saturday.

By trimming his second round score a stroke behind his first-day total, Garrison put himself three strokes ahead of his nearest competitor, Nick Ristvey of Sharon, who was also runnerup for the first 18 holes played Wednesday.

Jones Ups Valones 12-5 On West Side

Jones Chevrolet triumphed when they faced Valone's Atlantic last night on West Side diamond, final score being 12-5. The highlight of the game was when M. Steffan hit a homer for Jones. Bases were loaded!

Today Final Date For E. To Sign Up For JC's 1st Tourney For All County Juniors

Today is the deadline for entering the Jaycees first annual Junior Golf Tournament. Any male golfer who hasn't reached his 18th birthday and won't do so until after August 15th of this year is eligible. Junior golfers who have

not sent in their entry blank may still enter the tourney by contacting Dick Munch or Bill Hesch.

Tournament Director Dick Munch said today that Les Sheldon has the Kinzua Valley Golf Course in perfect shape for the tee off on Sunday, June 30th. All entrants are asked to be at the golf courses by 12 o'clock on Sunday to take part in the driving contest that will be held prior to the actual tourney. Tee off time is one o'clock and the tournament is 18 holes of medal play.

Larry Boardman Has An Important Date With Busso Tonight

Boston (P)—Can Larry Boardman regain the robust ring touch which carried him to the brink of a lightweight championship match last year?

A nationwide television and radio (NBC) audience will see and hear the verdict tonight when the 21-year-old Marlborough, Conn. favorite meets John Busso of New York in a 10-rounder.

Odds on Boardman, fifth-ranked challenger in the 135-pound class, were expected to be 13-5.

However, the one-sided decision the unranked Busso punched out against Orlando Zulueta serves as a warning to Boardman.

A lost decision to the same Zulueta a year ago knocked Larry from the top contender's spot and a certain crack at champion Joe Brown's crown.

In his last outing, Boardman made a futile venture in the welter ranks against Tony DeMarco.

Busso, 24, is a tough campaigner from New York's lower East Side who can mount a withering, two-fisted attack.

Boardman, who sports 34-4 records, never has been knocked out. Busso was kayoed only once—by Gene Foirier. In 34 bouts, he has won 2, lost 4 and battled once to a draw.

Darling Jewell has donated a beautiful trophy to the winner of the tournament, with other prizes donated by the following firms: Act Auto, Montgomery Ward, Picketts, and Western Auto. Besides winning the trophy, the winner of the tourney will be taken by the Jaycees to the state tournament in Latrobe on July 13th and 14th. This event will be held at the Holiday Acres Country Club. The top four finishers in the state tournament will be eligible to compete in the National Jaycees Tournament at Columbus, Ohio, from August 18th through August 24th.

All junior golfers are reminded that the tourney is not restricted to Warren, but is open to all eligible golfers in the area.

Let's go junior golfers, enter the tournament now and we'll see you at noon on Sunday, June 30th.

I. Y. - Penn League
to Operate With
but Seven Clubs

Jamestown Sun: The New York-Pennsylvania Class D baseball league dropped to seven-team status for the second time this season Thursday as efforts to relocate the Jamestown franchise met with failure.

League President Vincent McNamara, of Buffalo, in a telegram to the remaining teams said that he has no alternative but to go with a seven-team league. "It seems normally scheduled to meet Jamestown being created with a run each day."

Earlier in the season, the league, called the Bradford franchise when its operators were unable to meet financial obligations. However, the franchise was relocated in Horrell within a few days. Jamestown, once a noted for Class D baseball, ceased operations with the end of the 1956 campaign. Sparked by Elmer C. Kessler and Al Alesi, a new group, Jamestown Area Baseball, Inc., was formed this spring and armed with a working agreement with the National League-Pittsburgh Pirates, tried to make a go of it again this spring.

Rookie Helps Red Sox
Sweep Chicago Series

By BOB HOOBING
Boston (AP)—Boston rookie third baseman Frank Malzone—once haunted by injury and tragedy—today has the American League agog over his feats at bat and field.

Nicknamed The Grove Malzone has risen from obscurity to lead the league in hits (59) and the Red Sox in runs batted in (44) and doubles (15). His .324 batting average is second only to Ted Williams on the club and seventh best in the AL. Typical of his play this year Malzone drove in five runs on four hits including a two-run homer yesterday as Boston swept a double-header from Chicago 8-3 and 9-2.

FIGHTS LAST NIGHT

By The Associated Press

Boston—Rocky Tomascio 158, Keyport, N. J., knocked out Bill Ryan, 111, Lowell, Mass., 10.

Los Angeles—Nacho Escalante 117, Acapulco, Mexico, knocked out Ross Padilla, 118, Stockton, Calif., 10.

Jeanette, Pa.—Raybon Stubbs 147, Pittsburgh, outpointed Wayman Dawson, 140, Youngstown, Ohio, 10.

Dallas—Buddy Turman 154, Dallas, knocked out Tommy Fealdis, 120, Chicago, 8.

Substitute Fielder
Helps Give Pirates
5-4 Win Over Cubs

Chicago (AP)—Jim Pendleton, substitute outfielder of the Pittsburgh Pirates, may give Roberto Clemente something to think about while Clemente is undergoing hospital tests for a back ailment.

Pendleton replaced Clemente in right field yesterday and collected three of the Pirates' six hits, including a 10th inning triple that gave Pittsburgh a 5-4 victory over the Chicago Cubs.

Clemente was admitted to Presbyterian Hospital in Pittsburgh last night for several days of chemical and X-ray tests on a back injury that has been bothering him since spring training.

Pendleton's triple drove Frank Thomas home from first and broke a 4-4 tie forged by the Cubs when they scored three runs in the eighth inning.

The Pirates scored two runs without a hit against Cub starter Dick Drott in the fourth to take a 3-1 lead. Pendleton reached base on an error and advanced to third on a walk. Gene Baker and Hank Thomas followed with singles and a passed ball and Drott came home on Leo Pulley's squeeze bunt.

Drysdale No Longer Has
Indian Sign on Aaron

Indianapolis (AP)—Before yesterday's game between Brooklyn and Milwaukee, three National League players held the Indian sign over the Braves. Hank Aaron, Nov. 19, 1956.

The young right fielder had collected at least one hit this season in every inning he had faced a minimum of four times—with the exception of Don Drysdale, Jack Sanford and Al Worthington. Drysdale was the Dodgers' starter yesterday.

Aaron was easy for Drysdale in his first hitless trips.

In the eighth inning the NL's defending batting champion faced Drysdale again with two on and the score 6-0. Aaron swung and the ball sped into the right center field slot for a triple. Two runs scored. The Braves won 2-1 to give right-hander Bob Buhl a season won-lost record of 9-2.

Before hitting the three-bagger, Aaron had faced Drysdale 10 times this year without getting a hit.

CAPTAINS ON NIGHT SHIFT
Chicago (AP)—The captains of Chicago's 38 police districts will go on the night shift Monday. Police Commissioner Timothy J. O'Connor changed their hours from the day shift because the crime rate is higher at night. "With the captains on the job, we might be able to cut down on crime," he said.

THURSDAY'S STARS

Pitching—Early Wynn, Indians, struck out nine, walked but two, winning his 10th with a four-hitter while handing Yankees their first shutout of the year, 2-0.

Hitting—Frank Malone, Red Sox, drove in five runs with three hits, hitting a three-run homer in the nightcap first inning, in 8-3 and 9-2 doubleheader sweep over White Sox.

TENNIS ANYONE?—Karol Fageros wears a rather startling outfit attending the overseas reception of the International Lawn Tennis Club, held in connection with the All-England Championships at Wimbledon. The American girl does full justice to the suit.

Welterweight Stubbs Is
Winner Over Dawson

Jeanette (AP)—Welterweight Raybon Stubbs of Pittsburgh easily won a unanimous 10-round decision last night over Wayman Dawson of Youngstown, Ohio, in the feature boxing bout at McKee Stadium.

Stubbs had little trouble with his lighter opponent except in the third round when Dawson scored on several good punches. Stubbs weighed 147; Dawson 140½.

A crowd of 2,296, which paid a net gate of \$3,548, watched Welterweight Champion Carmen Basilio box a four-round exhibition with a stablemate, Leo Owens of Syracuse, N. Y.

INTERNATIONAL RACE
Monza, Italy (AP)—Top American and British racing car drivers aimed for a 170-mile an hour target today as they qualified for tomorrow's 500-mile international Monza race. The trials determine the post positions for what may be the world's fastest race scheduled to start shortly after 4 a. m. EST. Ten American drivers, including some of the best from the Indianapolis 500, and three British aces led the field as pre-race activity reached a climax.

Schedule For 20th All American Derby In Akron, Aug. 18

The 20th anniversary All American Soap Box Derby program at Akron, Ohio, Sunday, August 18, will be directed with the assistance of the National Newspaper Control Committee.

The committee is made up of representatives of leading newspapers and other organizations which cooperate with Chevrolet Motor Division in conducting the boy competition.

Kenneth L. Brennan, veteran Derby director of the Pottsville Pa., Republican is chairman. Brennan has assigned each member of the 10-man group to a specific post for the 20th All American. The committee will observe the general conduct of the race, and will supervise heat drawings and lane selections following the first round. All drawings after the first round are by lot.

Committeemen also will be stationed at the finish line bridge, at the car return section and at Top-side to assist starters and track workers. Heat and lane drawings for the first round of the All-American at Akron are made three days before the race. As the name of each city is pulled from a revolving barrel, it is posted on a large Heat and Lane board. The complete first round alignment then is photographed as a permanent record.

The 1957 Committee works in close cooperation with Chevrolet and the National Contest Board in formulating and enforcing SOAP BOX DERBY RULES.

2 Clarendon Young Men Injured in Accident

Two Clarendon young men sustained injuries last evening about 7:30 p. m. when the car in which they were heading toward Chapman Dam failed to negotiate a left turn about five miles out of Clarendon.

Driver of the 1949 Oldsmobile sedan which was demolished was Richard L. Jordan, 21, of 11 Railroad street, Clarendon. He was treated at Warren General Hospital for a cut left ear, brush burns, a left shoulder injury and bruises, according to troopers who investigated.

An occupant in the car, Melvin Atwell, 20, of Clarendon, RD 1 was also taken to the hospital and treated for a cut right hand and bruises.

ATOMIC SHELTER TEST—The mushroom cloud from the fifth and most powerful atomic explosion in the 1957 Nevada test series rises progressively during a seven-minute period over Yucca Flats. The bomb set off by the Atomic Energy Commission was designed as the first major test, in the 20-shot series, of a totally new approach to civilian underground shelters. The pictures were taken 40 miles from ground zero.
